TITLE IV

RIGHTS AND OBLIGATIONS IN RELATION TO THE PROVISION AND USE OF PAYMENT SERVICES

CHAPTER 3

Execution of payment transactions

Section 1

Payment orders and amounts transferred

Article 78

Receipt of payment orders

1 Member States shall ensure that the time of receipt is when the payment order is received by the payer's payment service provider.

The payer's account shall not be debited before receipt of the payment order. If the time of receipt is not on a business day for the payer's payment service provider, the payment order shall be deemed to have been received on the following business day. The payment service provider may establish a cut-off time near the end of a business day beyond which any payment order received shall be deemed to have been received on the following business day.

2 If the payment service user initiating a payment order and the payment service provider agree that execution of the payment order shall start on a specific day or at the end of a certain period or on the day on which the payer has put funds at the payment service provider's disposal, the time of receipt for the purposes of Article 83 is deemed to be the agreed day. If the agreed day is not a business day for the payment service provider, the payment order received shall be deemed to have been received on the following business day.

Article 79

Refusal of payment orders

1 Where the payment service provider refuses to execute a payment order or to initiate a payment transaction, the refusal and, if possible, the reasons for it and the procedure for correcting any factual mistakes that led to the refusal shall be notified to the payment service user, unless prohibited by other relevant Union or national law.

Status: EU Directives are being published on this site to aid cross referencing from UK legislation. After IP completion day (31 December 2020 11pm) no further amendments will be applied to this version.

The payment service provider shall provide or make available the notification in an agreed manner at the earliest opportunity, and in any case, within the periods specified in Article 83.

The framework contract may include a condition that the payment service provider may charge a reasonable fee for such a refusal if the refusal is objectively justified.

2 Where all of the conditions set out in the payer's framework contract are met, the payer's account servicing payment service provider shall not refuse to execute an authorised payment order irrespective of whether the payment order is initiated by a payer, including through a payment initiation service provider, or by or through a payee, unless prohibited by other relevant Union or national law.

3 For the purposes of Articles 83 and 89 a payment order for which execution has been refused shall be deemed not to have been received.

Article 80

Irrevocability of a payment order

1 Member States shall ensure that the payment service user shall not revoke a payment order once it has been received by the payer's payment service provider, unless otherwise specified in this Article.

2 Where the payment transaction is initiated by a payment initiation service provider or by or through the payee, the payer shall not revoke the payment order after giving consent to the payment initiation service provider to initiate the payment transaction or after giving consent to execute the payment transaction to the payee.

3 However, in the case of a direct debit and without prejudice to refund rights the payer may revoke the payment order at the latest by the end of the business day preceding the day agreed for debiting the funds.

4 In the case referred to in Article 78(2) the payment service user may revoke a payment order at the latest by the end of the business day preceding the agreed day.

5 After the time limits laid down in paragraphs 1 to 4, the payment order may be revoked only if agreed between the payment service user and the relevant payment service providers. In the case referred to in paragraphs 2 and 3, the payee's agreement shall also be required. If agreed in the framework contract, the relevant payment service provider may charge for revocation.

Article 81

Amounts transferred and amounts received

1 Member States shall require the payment service provider(s) of the payer, the payment service provider(s) of the payee and any intermediaries of the payment service providers to transfer the full amount of the payment transaction and refrain from deducting charges from the amount transferred.

2 However, the payee and the payment service provider may agree that the relevant payment service provider deduct its charges from the amount transferred before crediting it to the payee. In such a case, the full amount of the payment transaction and charges shall be separated in the information given to the payee.

3 If any charges other than those referred to in paragraph 2 are deducted from the amount transferred, the payment service provider of the payer shall ensure that the payee receives the full amount of the payment transaction initiated by the payer. Where the payment transaction is initiated by or through the payee, the payment service provider of the payee shall ensure that the full amount of the payment transaction is received by the payee.
