Article 52

Member States shall ensure that FIUs cooperate with each other to the greatest extent possible, regardless of their organisational status.

Article 53

[^{F1} Member States shall ensure that FIUs exchange, spontaneously or upon request, any information that may be relevant for the processing or analysis of information by the FIU related to money laundering or terrorist financing and the natural or legal person involved, regardless of the type of associated predicate offences and even if the type of associated predicate offences is not identified at the time of the exchange.]

A request shall contain the relevant facts, background information, reasons for the request and how the information sought will be used. Different exchange mechanisms may apply if so agreed between the FIUs, in particular as regards exchanges through the FIU.net or its successor.
