RULES

of the Supply Agency of the European Atomic Energy Community  
determining the manner in which demand is to be balanced against  
the supply of ores, source materials and special fissile materials

THE SUPPLY AGENCY OF THE EUROPEAN ATOMIC ENERGY COMMUNITY,

Having regard to the provisions of the Treaty, and in particular the sixth paragraph of Article 60 thereof;

After consulting the Advisory Committee to the . Agency;

Having regard to the Decision of the Euratom Commission of 5 May 1960 fixing the date on which the Supply Agency is to take up its duties and approving these Rules, and in particular Articles 3 and 4 of that Decision relating to procedures for the entry into force of these Rules;

Whereas, in order to carry out its duties in accordance with the principles set out in Article 52 of the Treaty, the Agency must, in respect of each product and on the basis of declarations covering users' estimated requirements and producers' estimated available supplies, have a complete knowledge of the situation on the market;

Whereas the procedures for balancing demand against supply must of necessity be determined in such a way as to enable various supply situations to be met;

Whereas the introduction of these procedures includes such transitional measures as will facilitate their progressive application;

HAS ADOPTED THE FOLLOWING PROVISIONS:
