## REGULATION (EEC) No 954/70 OF THE COMMISSION

of 26 May 1970

on the classification of goods under sub-headings Nos 15.01 A I, 15.02 A, 15.03 B and 15.07 D I of the Common Customs Tariff

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation (EEC) No 97/69<sup>1</sup> of 16 January 1969 on measures to be taken for uniform application of the nomenclature of the Common Customs Tariff, and in particular Article 3 thereof;

Whereas the Common Customs Tariff annexed to Council Regulation (EEC) No 950/68<sup>2</sup> of 28 June 1968, as last amended by Council Regulation (EEC) No 765/70<sup>3</sup> of 27 April 1970, comprises under sub-headings Nos 15.01 A I, 15.02 A and 15.03 B fats and oils intended for other industrial uses than the manufacture of foodstuffs and under sub-heading No 15.07 D I oils intended for other technical or industrial uses than the manufacture of foodstuffs;

Whereas, with a view to ensuring uniform application of the nomenclature of the Common Customs Tariff, the scope of these sub-headings should be specified;

Whereas for the interpretation of the wording of those sub-headings reference must be made to all four versions of the Common Customs Tariff;

whereas the German version ('zu industriellen Zwecken, ausgenommen zum Herstellen von Lebensmitteln') and the Dutch version ('bestemd voor ander industrieel gebruik dan voor de vervaardiging van produkten voor menselijke consumptie') show clearly that only fats intended for the manufacture of products for human consumption are excluded from the sub-headings mentioned; whereas, consequently, fats intended for the manufacture of animal feedingstuffs are included thereunder; whereas, on the other hand, the words 'alimentaire' (French version) and 'alimentare' (Italian version) may be used to describe only products intended for human consumption;

Whereas, therefore, it is appropriate to specify that fats and oils intended for the manufacture of animal feeding-stuffs fall within sub-headings Nos 15.01 A I, 15.02 A, 15.03 B or 15.07 D I, as the case may be;

Whereas the provisions of this Regulation are in accordance with the Opinion of the Committee on the Common Customs Tariff Nomenclature;

HAS ADOPTED THIS REGULATION:

*Article 1*

Fats and oils intended for the manufacture of animal feeding-stuffs shall respectively be classified in the Common Customs Tariff, under fats and oils intended for other industrial uses than the
