

## REGULATION (EEC) No 2780/71 OF THE COUNCIL

of 20 December 1971

temporarily suspending the autonomous duties in the Common Customs Tariff  
on certain products

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 28 thereof;

Having regard to the draft Regulation submitted by the Commission;

Whereas production in the Community of the products specified in this Regulation is currently inadequate or non-existent and whereas producers thus cannot meet the needs of user industries in the Community;

Whereas it is in the interest of the Community in certain cases partially to suspend the autonomous duties in the Common Customs Tariff because these goods are produced in the Community, and in other cases to effect total suspension;

Whereas the Association Council established under the Association between the European Economic Community and Greece has given its consent in respect of spirits of turpentine falling within sub-heading No 38.07 A;

Whereas in view of the difficulty of assessing accurately short-term trends in the economic

situation in the relevant sectors, suspension measures should be taken only for temporary periods the length of which is to be determined by reference to the interests of Community production;

HAS ADOPTED THIS REGULATION:

*Article 1*
