## REGULATION (EEC) No 2806/71 OF THE COMMISSION

of 23 December 1971

laying down additional rules for granting export refunds on certain products processed from cereals and from rice

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 120/67/EEC<sup>1</sup> of 13 June 1967 on the common organisation of the market in cereals, as last amended by Regulation (EEC) No 1550/71,<sup>2</sup> and in particular Article 16 (6) thereof;

Having regard to Council Regulation No 359/67/EEC<sup>3</sup> of 25 July 1967 on the common organisation of the market in rice, as last amended by Regulation (EEC) No 1553/71,<sup>4</sup> and in particular Article 17 (6) thereof;

Whereas in view of the value of potential exports and the Community's small share of (total) world trade, it is unnecessary at present to fix an export refund on flour of which the starch has been subjected to heat treatment or any other process which increases the swelling capacity or to products, processed from cereals and from rice, obtained from a denatured basic product;

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 23 December 1971.

Whereas the measures provided for in this Regulation are in accordance with the Opinion of the Management Committee for Cereals;

HAS ADOPTED THIS REGULATION:

*Article 1*

1. Export refunds on flour falling within heading No 11.01 of the Common Customs Tariff shall be granted only for products of which the starch has not been subjected to heat treatment or to any other process which increases the swelling capacity.
