No L 288/1

COMMISSION REGULATION (EEC) No 2705/72

of 22 December 1972

amending Regulation (EEC) No 979/72 in respect of the compensatory amounts to be applied, consequent upon changes in the monetary situation, to certain agricultural products and to certain goods obtained therefrom

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 974/71 of 12 May 1971 on certain measures of conjunctural policy to be taken in agriculture following the temporary widening of the margins of fluctuation for the currencies of certain Member States ⁽¹⁾, and in particular Articles 3 and 6 thereof,

Whereas the compensatory amounts provided for in Regulation (EEC) No 974/71 were fixed by Regulation (EEC) No 979/72 ⁽²⁾, as last amended by Regulation (EEC) No 2423/72 ⁽³⁾;

Whereas Article 3 of Regulation (EEC) No 974/71 requires compensatory amounts to be altered if the difference referred to in Article 2(1) of that Regulation changes by at least one point from the percentage taken as a basis for the preceding determination; whereas the alteration of the compensatory amounts must be in line with the change in the difference;

Whereas Commission Regulation (EEC) No 1013/71 of 17 May 1971 ⁽⁴⁾, as last amended by Regulation (EEC) No 2342/72 ⁽⁵⁾, laid down detailed rules of application for Regulation (EEC) No 974/71; whereas the spot market rates for the French franc recorded pursuant to Regulation (EEC) No 1013/71 over the period 14 to 20 December 1972 result in

a difference of more than one point from the percentage taken as a basis for the preceding determination of the compensatory amounts; whereas the minimal effect of compensatory amounts calculated on the basis of the new rates to be taken into account means that compensatory amounts can be eliminated for France;

Whereas for certain cereals, for sugar and for powdered whey, the cif prices or the market prices as the case may be, hitherto used as a basis for calculation, have changed appreciably; whereas it would also be opportune to take account of the increase in the intervention price for sugar; whereas the compensatory amounts should therefore be recalculated for these agricultural products and for goods obtained therefrom if the prices in question were used in the calculation;

Whereas the measures provided for in this Regulation concerning the recalculation of compensatory amounts are in accordance with the opinions of the Management Committees for Cereals, for Poultrymeat and Eggs, for Sugar and for Milk and Milk Products,

HAS ADOPTED THIS REGULATION:

Article 1

The Annexes to this Regulation shall be substituted for the Annexes to Regulation (EEC) No 979/72.

Article 2

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities*.
