

## COMMISSION REGULATION (EEC) No 3020/77

of 30 December 1977

on the arrangements for imports of certain textile products originating in Taiwan

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 113 thereof,

Having regard to Council Regulation (EEC) No 1439/74 of 4 June 1974 on common rules for imports <sup>(1)</sup>, and in particular Article 12 thereof,

Having regard to Council Regulation (EEC) No 1023/70 of 25 May 1970 establishing a common procedure for administering quantitative quotas <sup>(2)</sup>, and in particular Articles 2, 4 and 5 thereof,

Having consulted the Advisory Committee set up under Article 5 of the abovementioned Regulation (EEC) No 1439/74,

Whereas Council Regulation (EEC) No 1783/75 of 10 July 1975 on rules for imports of certain textile products originating in Taiwan, and Commission Regulation (EEC) No 1849/75 allocating quantitative quotas in respect of imports into the Community of certain textile products originating in Taiwan, have laid down the arrangements for imports into the Community of the products in question up to 31 December 1977;

Whereas those arrangements should be maintained beyond that date and adjusted as part of the revision of the Community's entire commercial policy on textile products;

Whereas Community quantitative quotas should be established for certain textiles originating in Taiwan, the concept of the originating product to be determined by the terms of the Community Regulation in force;

Whereas, for the years 1978, 1979, 1980, 1981 and 1982, the size of these quotas should be fixed in such a way as to allow a certain annual growth whilst avoiding substantial injury to Community producers of similar or directly competing products, and also to allow carry-over and advance drawing of quota shares as between one year and another;

Whereas, because of the considerable disparities between the conditions to which imports into Member States of the products in question are at present subject and because of the particular sensitivity of the Community textile industry, harmonization of these import conditions can be achieved only gradually; whereas, to this end, the main criterion for the allocation of the Community quantitative quotas should be that the volumes admitted under the present import conditions should be gradually adapted to the supply needs of the markets, with significantly higher annual rates of increase for Member States in which the volumes are relatively the smallest, in order to align them gradually on the supply needs of the markets;

Whereas it is necessary to provide that products introduced into the customs territory of the Community under the inward processing rules or under other temporary admission rules and re-exported from that territory in the same state or after processing are not to be set off against the abovementioned quantitative quotas; this also applies to handicraft or traditional folklore products;

Whereas provision should be made for introducing, where certain conditions are fulfilled, quantitative limits on textile products which are included in the import arrangements applicable to Taiwan but for which no quantitative limit has been fixed;

Whereas, since the import arrangements at present in force expire on 31 December 1977, it is necessary, in order to avoid disturbances in the trade flows, for the new arrangements to apply with effect from 1 January 1978; whereas, in these circumstances, these arrangements should be introduced on a provisional basis pending the adoption by the

Council of the appropriate measures under Article 13 of Council Regulation (EEC) No 1439/74,

HAS ADOPTED THIS REGULATION:

#### Article 1

From 1 January 1978 to 31 December 1982 importation into the Community of the products indicated in the categories listed in Annex I shall be governed by the provisions of this Regulation.

#### Article 2

1. In 1978, 1979, 1980, 1981 and 1982, importation into the Community of textile products listed in Annex II and originating in Taiwan shall be effected within the limits of the Community quantitative quotas indicated in the said Annex, the allocation being made in such a way as to ensure the expansion and orderly development of trade in textiles and gradual adjustment to the supply needs of the markets and also to allow for carry-over and advance drawing as between one year and another and for transfers from one category to another.

2. For the purposes of the application of this Regulation, the concept of originating products, as well as the means of controlling their origin, are those fixed by the Community Regulation in force on this matter.

3. If it appears that supplementary quantities are required for the products mentioned in Annex II, in one of the Community territories, the importation of amounts higher than those given in Annex II may be authorized in accordance with the procedure laid down in Article 2 of Regulation (EEC) No 1023/70.

#### Article 3

The importation of textile products belonging to the categories to which this Regulation applies, originating in Taiwan and not listed in Annex II, may be made subject to quantitative limits in the Community or one of the regions thereof where the level of those imports exceeds the level of the total imports of the same product in the preceding year by the following percentages:

- for the categories of products in Group I: 0.2%,
- for the categories of products in Group II: 1%,
- for the categories of products in Group III, IV, V or VI: 3%.

At the request of a Member State or on its own initiative, the Commission shall fix the quantitative limits on imports.

#### Article 4

1. The Member States may authorize imports in excess of the quantitative quotas as established by Article 2, either by carrying-over quantities not utilized from the quotas of the preceding year or by advance drawing on the quotas for the following year provided any such transfer does not exceed 5% of the quota being increased.

2. Member States may authorize the transfer of unused quantities in one quota to another quota within the following limits:

- between categories 1 to 3 of Group I: 3% of the quota to which the transfer is made,
- between categories 4 to 8 of Group I: 3% of the quota to which the transfer is made,
- from the categories in Group I to the categories in the other groups: 5% of the quota to which the transfer is made,
- between the categories in Groups II to VI: 5% of the quota to which the transfer is made.

3. The cumulative application of the flexibility arrangements set out in the preceding paragraphs may not exceed, with regard to each quota:

- 10% for the categories in Group I,
- 12% for the categories in Groups II to VI.

#### Article 5

Products referred to in Article 1 which are brought into the customs territory of the Community under inward processing arrangements or under other temporary admission arrangements and re-exported

from that territory in the unaltered state or after processing shall not be charged against the quotas as established in Articles 2 and 3.

#### *Article 6*

Products referred to in Article 1 will not be deducted from the quotas referred to in Articles 2 and 3 if they comply with the criteria set out below:

- fabrics, woven on handlooms entirely operated by hand or feet, of a traditional variety made by the cottage industry in Taiwan,
- clothes or other textile articles of a traditional variety fabricated by the cottage industry in Taiwan, obtained manually from fabrics described

above and hand-sewn without the aid of machinery,

- hand-made traditional folklore textile products made by the cottage industry in Taiwan.

#### *Article 7*

1. This Regulation shall enter into force on 1 January 1978.

2. It shall apply until the entry into force of the appropriate measures to be taken by the Council in accordance with Articles 12 (6) and 13 of Regulation (EEC) No 1439/74 or until the end of a period of six weeks after it enters into force, whichever is the earlier.

This Regulation shall be binding in its entirety and directly applicable in all Member States.
