

## COMMISSION REGULATION (EEC) No 1091/80

of 2 May 1980

laying down detailed rules for granting private storage aid for beef and veal

THE COMMISSION OF THE EUROPEAN  
COMMUNITIES,

Having regard to the Treaty establishing the European  
Economic Community,

Having regard to Council Regulation (EEC) No  
805/68 of 27 June 1968 on the common organization  
of the market in beef and veal<sup>(1)</sup>, as last amended by  
Regulation (EEC) No 2916/79<sup>(2)</sup>, and in particular  
Article 8 (4) and Article 25 thereof,

Having regard to Council Regulation (EEC) No  
878/77 of 26 April 1977 on the rates of exchange to  
be applied in agriculture<sup>(3)</sup>, as last amended by Regu-  
lation (EEC) No 779/80<sup>(4)</sup>,

Whereas detailed rules for granting private storage aid  
for beef and veal must be adopted in addition to the  
general rules laid down by Council Regulation (EEC)  
No 989/68<sup>(5)</sup>, as amended by Regulation (EEC) No  
428/77<sup>(6)</sup>;

Whereas detailed rules for granting private storage aid  
in the beef and veal sector were laid down in parti-  
cular in Commission Regulations (EEC) No  
1071/68<sup>(7)</sup> and (EEC) No 275/74<sup>(8)</sup>; whereas experi-  
ence has shown that the provisions of these Regula-  
tions should be rearranged and adapted;

Whereas, if it is to achieve its purpose, such aid  
should be granted only to natural or legal persons estab-  
lished in the Community whose past activities and  
experience in the sector are such as to guarantee that  
storage will be effected in a satisfactory manner and  
who have adequate cold storage capacity within the  
Community; whereas, for the same reason, aid should  
be granted only for the storage of products which  
have been obtained from recent slaughterings;

Whereas, to make the aid more effective, it should be  
stipulated that contracts must relate to not less than a  
certain quantity, varied if necessary according to  
product;

Whereas, for the same reason, the contract between  
the intervention agency and the storer should specify  
the obligations to be fulfilled by the latter, in parti-  
cular those enabling the intervention agency to under-  
take an effective control of storage conditions;

Whereas, both to take account of commercial practice  
and for practical reasons, certain margins of variation  
from the agreed quantity should be permitted;

Whereas the amount of the security designed to  
ensure compliance with the contractual obligations  
should be fixed at a percentage of the aid figure;  
whereas, however, it is possible to provide for partial  
release of the security where part of the quantity  
contracted for has been stored;

Whereas, in certain cases, although the principal obli-  
gation to store has been fulfilled, certain ancillary  
requirements, such as administrative formalities, have  
not been met; whereas the intervention agencies  
should be enabled to settle such cases equitably and  
without delay;

Whereas Article 4 (1) of Regulation (EEC) No 989/68  
provides that the amount of aid for private storage  
may be determined by means of a tendering proce-  
dure; whereas Articles 4 and 5 of the same Regulation  
contain rules to be observed in connection with this  
procedure; whereas, however, more detailed rules are  
necessary for that purpose;

Whereas, to ensure equal treatment for all interested  
parties in the Community, notices of invitation to  
tender should be published in the *Official Journal of  
the European Communities*;

Whereas, to ensure that the tendering procedure is  
effective, only those tenders which contain the infor-  
mation necessary for their assessment and include a  
formal undertaking by the tenderer to ensure perfor-  
mance of the storage operations should be accepted;

(<sup>1</sup>) OJ No L 148, 28. 6. 1968, p. 24.

(<sup>2</sup>) OJ No L 329, 24. 12. 1979, p. 15.

(<sup>3</sup>) OJ No L 106, 29. 4. 1977, p. 27.

(<sup>4</sup>) OJ No L 85, 29. 3. 1980, p. 45.

(<sup>5</sup>) OJ No L 169, 18. 7. 1968, p. 10.

(<sup>6</sup>) OJ No L 61, 5. 3. 1977, p. 17.

(<sup>7</sup>) OJ No L 180, 26. 7. 1968, p. 19.

(<sup>8</sup>) OJ No L 28, 1. 2. 1974, p. 61.

Whereas certain rules regarding the scrutiny of tenders and their transmission to the Commission by the Member States should be laid down ;

Whereas the purpose of adopting the tendering procedure is to determine the amount of the aid ; whereas, in the selection of tenders, preference should be given to those which are most advantageous for the Community ; whereas, to that end, a maximum amount of aid may be set for which tenders would be accepted ; whereas, if no tender is acceptable, none need be accepted ;

Whereas, so that the Commission may have on overall view of the effect of private storage aid, the Member States should supply it with the necessary information ;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Beef and Veal,

HAS ADOPTED THIS REGULATION :
