

## COUNCIL REGULATION (EEC) No 4170/87

of 21 December 1987

opening and providing for the administration of a Community tariff quota for salad beetroot falling within subheading ex 0706 90 90 of the combined nomenclature and originating in Cyprus (1988)

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 113 thereof,

Having regard to the proposal from the Commission,

Whereas the Agreement establishing an association between the European Economic Community and the Republic of Cyprus, as supplemented by the Protocol laying down the conditions and procedures for the implementation of the second stage of the said Agreement and adapting certain provisions thereof<sup>(1)</sup>, provides for the opening of a Community tariff quota of 1 500 tonnes for salad beetroot falling within subheading ex 0706 90 90 of the combined nomenclature and originating in Cyprus; whereas, pursuant to Article 18 of the Protocol in question, this volume is subject to an annual increase of 5 % from the entry into force of the Protocol, and will therefore be 1 575 tonnes in 1988; whereas, within the limit of the tariff quota, the customs duty applicable is to be abolished progressively according to the same timetable and under the same conditions as laid down in Articles 5 and 16 of the said Protocol;

Whereas, however, the Protocol to the Association Agreement between the European Economic Community and the Republic of Cyprus consequent on the accession of the Kingdom of Spain and the Portuguese Republic to the Community<sup>(2)</sup> lays down that those two Member States will postpone implementation of the preferential arrangements for the products in question until 31 December 1989 and 31 December 1990 respectively; whereas, consequently, the above tariff quota applies only to the Community as constituted on 31 December 1985;

Whereas the Community tariff quota should therefore be opened for 1988;

Whereas from the date on which the said quota is opened, the nomenclature used in the Common Customs Tariff will be replaced by the combined nomenclature based on the International Convention on the Harmonized Commodity Description and Coding System; whereas this Regulation must take account of that fact by indicating the combined nomenclature codes and Taric code numbers within which the said products fall;

Whereas equal and continuous access to the quota should be ensured for all Community importers and the rates laid down for the quota should be applied consistently to all imports of the product in question into all the Member States until the quota is exhausted; whereas, however, the quota should not in this case be allocated among the Member States, without prejudice to the drawing against the quota volume of such quantities as they may need, under the conditions and according to the procedure laid down in Article 1 (2); whereas this method of administration requires close cooperation between the Member States and the Commission and the latter must in particular be able to monitor the rate at which the quota is used and inform the Member States accordingly;

Whereas since the Kingdom of Belgium, the Kingdom of the Netherlands and the Grand Duchy of Luxembourg are united within and jointly represented by the Benelux Economic Union, any operation concerning the administration of the quota shares allocated to that economic union may be carried out by any one of its members,

HAS ADOPTED THIS REGULATION:

2. If an importer gives notification of imminent imports of the product in question into a Member State and applies to take advantage of the quota, the Member State concerned shall inform the Commission and draw an amount corresponding to its requirements to the extent that the available balance of the reserve so permits.

3. The shares drawn pursuant to paragraph 2 shall be valid until the end of the quota period.

#### *Article 2*

1. Member States shall take all appropriate measures to ensure that their drawings pursuant to Article 1 (2) enable imports to be charged without interruption against their accumulated shares of the Community quota.

2. Each Member State shall ensure that importers of the product concerned have free access to the quota for such time as the residual balance of the quota volume so permits.

3. Member States shall charge imports of the said goods against their drawings as and when the goods are entered with the customs authorities for free circulation.

4. The extent to which the quota has been used up shall be determined on the basis of the imports charged in accordance with paragraph 3.

At the request of the Commission, Member States shall inform it of imports actually charged against the quota.

#### *Article 4*

The Member States and the Commission shall cooperate closely to ensure that this Regulation is complied with.

#### *Article 5*

This Regulation shall enter into force on 1 January 1988.

This Regulation shall be binding in its entirety and directly applicable in all Member States.
