

COMMISSION REGULATION (EEC) No 3938/92
of 22 December 1992

**laying down detailed rules for the application in the poultrymeat sector of
Council Regulation (EEC) No 3917/92 reducing for 1993 the levies on certain
agricultural products originating in developing countries**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3917/92 of 21 December 1992 extending to 1993 the levies on certain agricultural products originating in developing countries⁽¹⁾, and in particular Article 3 thereof,

Having regard to Council Regulation (EEC) No 2777/75 of 29 October 1975 on the common organization of the market in poultrymeat⁽²⁾, as last amended by Regulation (EEC) No 1235/89⁽³⁾, and in particular Article 15 thereof,

Whereas Regulation (EEC) No 3917/92 introduces arrangements for reducing import levies on certain products in the pigmeat, eggs and poultry and cereals sectors; whereas detailed rules for the application of that Regulation should be adopted as regards products in the poultrymeat sector with a view to administering the fixed amounts concerned;

Whereas, for the products covered by order Nos 59.0020 and 59.0025 (various duck products), those detailed rules are either supplementary to or derogate from Commission Regulation (EEC) No 3719/88 of 16 November 1988 laying down common detailed rules for the application of the system of import and export licences and advance fixing certificates for agricultural products⁽⁴⁾, as last amended by Regulation (EEC) No 2101/92⁽⁵⁾;

Whereas, in order to ensure proper administration of the fixed amounts, for the products covered by order Nos 59.0020 and 59.0025, a security should be required for applications of import licences and certain conditions be laid down as regard applications for licences, in particular restricting the number of operators who can request licences taking into account the limited amounts of products available within the context of this system; whereas the fixed amounts should be staggered over the year and the procedure for lodging licences as well as their duration of validity should be specified; whereas, however, licences must not be valid beyond 31 December 1993 in view of the period of application of Regulation (EEC) No 3917/92;

Whereas it is possible for products covered by order No 59.0030 (various goose products) to replace the system of import licences with the application of Regulation (EEC) No 3834/90 reducing for 1991 a system for monitoring quantities actually imported, which is less restrictive for importers;

Whereas, for the products covered by order No 59.0030, equal and continuous access to the said fixed amount should be ensured for all Community importers and the rates laid down for the fixed amount should be applied consistently to all imports of the product in question into all the Member States until the fixed amount is exhausted; whereas the necessary measures should be taken to ensure efficient Community administration of this fixed amount by providing the opportunity to draw from the volume the necessary quantities corresponding to actual imports; whereas this method of administration requires close cooperation between the Member States and the Commission;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Poultrymeat and Eggs,

HAS ADOPTED THIS REGULATION:

3. The Member States shall notify the Commission, on the third working day following the end of the application submission period, of applications lodged for each of the products covered by the order numbers in question. Such notification shall comprise a list of applicants and quantities applied for under each order number as well as of the countries of origin. All notifications, including notifications of nil applications, shall be made by telex or telecopy on the working day stipulated, drawn up on the model found in Annex I in the case where no request is made and in the case where requests have been made drawn up on the model found in Annex I and Annex II.

4. The Commission shall decide as soon as possible to what extent quantities may be awarded in respect of applications as referred to in Article 3.

If quantities in respect of which licences have been applied for exceed the quantities available, the Commission shall fix a single percentage reduction in quantities applied for.

If the overall quantity for which applications have been submitted is less than the quantity available, the Commission shall calculate the quantity remaining, which shall be added to the quantity available in respect of the following period.

5. Licences are issued as soon as possible after the decision is taken by the Commission.

6. Licences issued shall be valid throughout the Community.

Article 5

Pursuant to Article 21 (2) of Regulation (EEC) No 3719/88, import licences shall be valid for 90 days from the date of actual issue.

However, licences may not be valid after 31 December of the year of issue.

Import licences issued pursuant to this Regulation shall not be transferable.

1. In order to qualify under the import arrangements provided for in Regulation (EEC) No 3917/92 for products covered by order No 59.0030 in the Annex to the said Regulation, the importer must present the competent authorities of the importing Member State

with a declaration of entry into free circulation comprising an application to this effect for the products in question accompanied by a certificate of origin. If this declaration is accepted by the competent authorities of that Member State, those authorities shall communicate to the Commission the requests for drawing from the fixed amount involved.

2. The requests for drawing, bearing the date of acceptance of the declaration of entry into free circulation, shall be communicated to the Commission without delay.

3. The drawings are granted by the Commission on the basis of the date of acceptance of the declarations of entry into free circulation by the competent authorities of the importing Member State, to the extent that the available balance so permits.

Any drawing not used shall be returned as soon as possible to the fixed amount for the year for which it was allocated.

When the quantities requested are greater than the available balance of the fixed amount, allocation shall be made on a pro rata basis with respect to the requests. The Commission shall inform Member States of the drawings made as quickly as possible.

Article 10

Each Member State shall ensure that importers of the products covered by order No 59.0030 in the Annex to Regulation (EEC) No 3917/92 have equal and continuous access to the fixed amount for such time as the residual balance of the fixed amount volume so permits.

Article 11

Member States and the Commission shall cooperate closely to ensure that this Regulation is complied with.

Article 12

It shall apply from 1 January 1993.

This Regulation shall be binding in its entirety and directly applicable in all Member States.
