

COUNCIL REGULATION (EC, Euratom) No 2273/2004**of 22 December 2004****amending Regulation (EC, Euratom) No 2728/94 establishing a Guarantee Fund for external actions**

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty establishing the European Community, and in particular Article 308 thereof,

Having regard to the Treaty establishing the European Atomic Energy Community, and in particular Article 203 thereof,

Having regard to the proposal from the Commission,

Having regard to the Opinion of the European Parliament,

Having regard to the opinion of the Court of Auditors⁽¹⁾,

Whereas:

- (1) The accession of 10 new Member States took place on 1 May 2004.
- (2) In addition, the possibility of further accessions should be taken into account.
- (3) The Communities have granted loans and guaranteed loans to accession countries or for projects executed in those countries. Those loans and guarantees are currently covered by the Guarantee Fund and will remain outstanding or in force after the date of accession. From that date, they will cease to be external actions of the Communities and should therefore be covered directly by the general budget of the European Union and no longer by the Guarantee Fund.
- (4) The European Investment Bank should inform the Commission of the amount of its outstanding operations under the Community guarantee in new Member States on the day of accession.

(5) The report prepared by the Commission in accordance with Article 9 of Council Regulation (EC, Euratom) No 2728/94 of 31 October 1994 establishing a Guarantee Fund for external actions⁽²⁾ concludes that it is not necessary to amend any parameters of the Guarantee Fund to take into account the enlargement of the European Union.

(6) In view of the amount of information needed for the annual report required by Article 7 of Regulation (EC, Euratom) No 2728/94 and the complexity of the procedures to be accomplished before submission of the report, the time provided for its preparation should be extended.

(7) Regulation (EC, Euratom) No 2728/94 should therefore be amended accordingly.

(8) The Treaties provide for no powers, other than those in Article 308 of the EC Treaty and Article 203 of the Euratom Treaty, for the adoption of this Regulation,

HAS ADOPTED THIS REGULATION:
