

Regulation (EC) No 805/2004 of the European Parliament and of the Council of
21 April 2004 creating a European Enforcement Order for uncontested claims

CHAPTER IV

ENFORCEMENT

Article 20

Enforcement procedure

1 Without prejudice to the provisions of this Chapter, the enforcement procedures shall be governed by the law of the Member State of enforcement.

A judgment certified as a European Enforcement Order shall be enforced under the same conditions as a judgment handed down in the Member State of enforcement.

2 The creditor shall be required to provide the competent enforcement authorities of the Member State of enforcement with:

- a a copy of the judgment which satisfies the conditions necessary to establish its authenticity; and
- b a copy of the European Enforcement Order certificate which satisfies the conditions necessary to establish its authenticity; and
- c where necessary, a transcription of the European Enforcement Order certificate or a translation thereof into the official language of the Member State of enforcement or, if there are several official languages in that Member State, the official language or one of the official languages of court proceedings of the place where enforcement is sought, in conformity with the law of that Member State, or into another language that the Member State of enforcement has indicated it can accept. Each Member State may indicate the official language or languages of the institutions of the European Community other than its own which it can accept for the completion of the certificate. The translation shall be certified by a person qualified to do so in one of the Member States.

3 No security, bond or deposit, however described, shall be required of a party who in one Member State applies for enforcement of a judgment certified as a European Enforcement Order in another Member State on the ground that he is a foreign national or that he is not domiciled or resident in the Member State of enforcement.
