GENERAL AND FINAL PROVISIONS

Article 43

Evaluation

Five years after the Agency takes up its duties, the Commission shall carry out an evaluation of implementation of this Regulation, the results obtained by the Agency and its working methods. This evaluation shall take account of the views of the representatives of the railways sector, of the social partners and of customers' organisations. The findings of the evaluation shall be made public. The Commission shall propose, if necessary, an amendment to this Regulation.

In that context, the Commission shall, if appropriate, present a proposal for revision of the provisions of this Regulation in light of developments in respect of regulatory agencies, in accordance with the procedure laid down in Article 251 of the Treaty. The European Parliament and Council shall examine this proposal and in particular consider whether the composition of the Administrative Board needs to be revised, in accordance with the general framework to be adopted for regulatory agencies.
