

Commission Regulation (EC) No 1227/2007 of 19 October 2007 amending Regulation (EC) No 712/2007 as regards the quantities covered by the standing invitation to tender for the resale on the Community market of cereals held by the intervention agencies of the Member States

COMMISSION REGULATION (EC) No 1227/2007

of 19 October 2007

amending Regulation (EC) No 712/2007 as regards the quantities covered by the standing invitation to tender for the resale on the Community market of cereals held by the intervention agencies of the Member States

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EC) No 1784/2003 of 29 September 2003 on the common organisation of the market in cereals⁽¹⁾, and in particular Article 6 thereof,

Whereas:

- (1) Commission Regulation (EC) No 712/2007⁽²⁾ opened standing invitations to tender for the resale on the Community market of cereals held by the intervention agencies of the Member States. Annex I to this Regulation provides for 27 502 tonnes of common wheat held by the Hungarian intervention agency.
- (2) Commission Regulation (EC) No 1539/2006 of 13 October 2006 adopting a plan allocating resources to the Member States to be charged against 2007 budget year for the supply of food from intervention stocks for the benefit of the most deprived persons in the Community⁽³⁾ lays down, amongst other things, the quantity of each type of product to be withdrawn from the stocks held by the intervention agencies. These quantities include, as stated in point 9 of Annex III to Regulation (EC) No 1539/2006 and in the form of authorised intra-Community transfers, 96 712 tonnes of common wheat held by the Hungarian intervention agencies destined for Romania. Under the second subparagraph of Article 3(2) of Commission Regulation (EEC) No 3149/92 of 29 October 1992 laying down detailed rules for the supply of food from intervention stocks for the benefit of the most deprived persons in the Community⁽⁴⁾, any quantities that have not been withdrawn from intervention stocks by 30 September in the year of plan implementation are no longer to be allocated to the Member State to which they were assigned. On 5 September 2007 the Romanian authorities informed the Commission that it would be impossible to comply with that deadline. As a result, and in view of the situation on the market in common wheat, that quantity of 96 712 tonnes of common wheat should be recovered and added to the quantity made available for sale under the invitation to tender opened by Regulation (EC) No 712/2007.
- (3) Regulation (EC) No 712/2007 should be amended accordingly.

Changes to legislation: There are currently no known outstanding effects for the
Commission Regulation (EC) No 1227/2007. (See end of Document for details)

- (4) The measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

Annex I to Regulation (EC) No 712/2007 is hereby replaced by the text in the Annex to this Regulation.
