CHAPTER IV

Aid schemes

Section I

Aid for processing

Subsection I

Dried fodder

Article 87

Advance payment

1 Processing undertakings shall be entitled to an advance payment of EUR 19,8 per tonne, or EUR 26,4 per tonne if they have lodged a security of EUR 6,6 per tonne.

Member States shall make the necessary checks to verify entitlement to the aid. Once entitlement has been established the advance shall be paid.

However, the advance may be paid before entitlement has been established provided the processor lodges a security equal to the amount of the advance plus 10 %. This security shall also serve as security for the purposes of the first subparagraph. It shall be reduced to the level specified in the first subparagraph as soon as entitlement to aid has been established and shall be released in full when the balance of the aid is paid.

2 Before an advance can be paid the dried fodder must have left the processing undertaking.

3 Where an advance has been paid, the balance amounting to the difference between the amount of the advance and the total aid due to the processing undertaking shall be paid subject to application of Article 88(2).

Status: This is the original version (as it was originally adopted).

4 Where the advance exceeds the total to which the processing undertaking is entitled following the application of Article 88(2), the processor shall reimburse the excess to the competent authority of the Member State on request.
