The amount of aid for cream and butter shall be fixed by the Commission in the light of storage costs and the likely trend in prices for fresh butter and butter from stocks.

Where, at the time of removal from storage, an adverse change unforeseeable at the time of entry into storage has occurred on the market, the aid may be increased.

Article 30

Conditions and aid-level for cheese

The conditions for, and amount of, aid to be paid for cheese shall be laid down by the Commission. The amount of aid shall be fixed taking account of storage costs and the likely trend of the market price.

The paying agency designated by the Member State in which the cheeses concerned are produced and in which those cheeses qualify to bear the designation of origin shall implement the measures taken by the Commission pursuant to the first paragraph.
