***Outward processing***

*Article 174*

**Suspension of outward processing arrangements**

1 Where the Community market is disturbed or is liable to be disturbed by outward processing arrangements, the Commission may suspend at the request of a Member State or on its own initiative fully or partially the use of outward processing arrangements for the products of the cereals, rice, beef and veal, pigmeat, sheepmeat and goatmeat and poultrymeat sectors. The Council shall meet without delay. It may, acting by qualified majority, amend or repeal the measures in question within one month following the date on which they were referred to the Council.

2 To the extent necessary for the proper functioning of the CMO, the use of outward processing arrangements for the products referred to in paragraph 1 may be fully or partially prohibited by the Council, acting in accordance with the procedure laid down in Article 37(2) of the Treaty.
