2 A copy of the report must be supplied free of charge to the person entitled.

3 Should the person entitled not accept the findings in the report, he may request that the condition of the luggage or vehicle and the cause and amount of the loss or damage be ascertained by an expert appointed either by the parties to the contract of carriage or by a court or tribunal. The procedure to be followed shall be governed by the laws and prescriptions of the State in which such ascertainment takes place.

Article 55

1 Claims relating to the liability of the carrier in case of death of, or personal injury to, passengers must be addressed in writing to the carrier against whom an action may be brought. In the case of a carriage governed by a single contract and performed by successive carriers the claims may also be addressed to the first or the last carrier as well as to the carrier having his principal place of business or the branch or agency which concluded the contract of carriage in the State where the passenger is domiciled or habitually resident.

2 Other claims relating to the contract of carriage must be addressed in writing to the carrier specified in Article 56(2) and (3).
