[F1 Article 30

Delegation of tasks by ESMA to competent authorities

1 Where it is necessary for the proper performance of a supervisory task, ESMA may delegate specific supervisory tasks to the competent authority of a Member State in accordance with the guidelines issued by ESMA pursuant to Article 21(2). Such specific supervisory tasks may, in particular, include the power to request information in accordance with Article 23b and to conduct investigations and on-site inspections in accordance with Article 23d(6).

2 Prior to the delegation of a task, ESMA shall consult the relevant competent authority. Such consultation shall concern:

- a the scope of the task to be delegated;
- b the timetable for the performance of the task to be delegated; and
- c the transmission of necessary information by and to ESMA.

3 In accordance with the regulation on fees to be adopted by the Commission pursuant to Article 19(2), ESMA shall reimburse a competent authority for the costs incurred as a result of carrying out delegated tasks.

4 ESMA shall review the delegation referred to in paragraph 1 at appropriate intervals. A delegation of tasks may be revoked at any time.

A delegation of tasks shall not affect the responsibility of ESMA and shall not limit ESMA's ability to conduct and oversee the delegated activity. Supervisory responsibilities under this Regulation, including registration decisions, final assessments and follow-up decisions concerning infringements, shall not be delegated.

Article 31

Notifications and suspension requests by competent authorities

1 Where a competent authority of a Member State finds that acts contrary to this Regulation are being, or have been, carried out on the territory of its own or of another Member State, it shall give notice of that fact in as specific a manner as possible to ESMA. Where the competent authority considers it appropriate for investigatory purposes, the competent authority may also suggest to ESMA that it assess the need to use the powers under Articles 23b and 23c in relation to the credit rating agency involved in those acts.

Changes to legislation: There are outstanding changes not yet made to Regulation (EC) No 1060/2009 of the European Parliament and of the Council. ESMA shall take appropriate action. It shall inform the notifying competent authority of the outcome and, as far as possible, of any significant interim developments.

2 Without prejudice to the duty to notify set out in paragraph 1, where the notifying competent authority of a Member State considers that a registered credit rating agency, whose credit ratings are used within the territory of that Member State, breaches the obligations arising from this Regulation and the infringements are sufficiently serious and persistent to have a significant impact on the protection of investors or on the stability of the financial system in that Member State, the notifying competent authority may request that ESMA suspend the use, for regulatory purposes, of credit ratings of the credit rating agency concerned by the financial institutions and other entities referred to in Article 4(1). The notifying competent authority shall provide ESMA with full reasons for its request.

Where ESMA considers that the request is not justified, it shall inform the notifying competent authority in writing, setting out the reasons. Where ESMA considers that the request is justified, it shall take the appropriate measures to resolve the issue.

Article 32

Professional secrecy

1 The obligation of professional secrecy shall apply to ESMA, the competent authorities, and all persons who work or who have worked for ESMA, for the competent authorities or for any other person to whom ESMA has delegated tasks, including auditors and experts contracted by ESMA. Information covered by professional secrecy shall not be disclosed to another person or authority except where such disclosure is necessary for legal proceedings.

2 All the information that, under this Regulation, is acquired by, or exchanged between, ESMA, the competent authorities, the sectoral competent authorities or other authorities and bodies referred to in Article 27(2), shall be considered confidential, except where ESMA or the competent authority or other authority or body concerned states at the time of communication that such information may be disclosed or where such disclosure is necessary for legal proceedings.]
