(d) the abstention of the countries and territories referred to in Article 1 from engaging in serious and systematic violations of human rights, including core labour rights, of fundamental principles of democracy and of the rule of law.

▼B

2. Without prejudice to the conditions provided for in paragraph 1, entitlement to benefit from the preferential arrangements introduced by Article 1 shall be subject to the readiness of the beneficiary countries to engage in effective economic reforms and in regional cooperation with other countries concerned by the European Union's Stabilisation and Association process, in particular through the establishment of free trade areas in conformity with Article XXIV of the GATT 1994 and other relevant WTO provisions.

In the event of non-compliance in that respect, the Council may take the appropriate measures by a qualified majority vote, on the basis of a Commission proposal.

▼M4

That certificate shall be drawn up by the Commission by means of implementing acts. Those implementing acts shall be adopted in accordance with the examination procedure referred to in Article 8(4).

4. Notwithstanding other provisions of this Regulation, and in particular Article 10, given the particular sensitivity of the agricultural and fishery markets, where imports of agricultural and fishery products cause serious disturbance to Union markets and their regulatory mechanisms, the Commission may adopt appropriate measures by means of

The Commission shall draw up a report in respect of the delegation of power not later than nine months before the end of the five-year period. A decision to revoke shall put an end to the delegation of the power specified in that decision. It shall take effect on the day following the publication of the decision in the *Official Journal of the European Union* or at a later date specified therein. It shall not affect the validity of any delegated acts already in force.
