Section 4

Support programmes in the wine sector

Subsection 1

General provisions and eligible measures

Article 39

Scope

This Section lays down the rules governing the attribution of Union funds to Member States and the use of those funds by Member States through five-year national support programmes ("support programmes") to finance specific support measures to assist the wine sector.

Article 40

Compatibility and consistency

1 Support programmes shall be compatible with Union law and shall be consistent with the activities, policies and priorities of the Union.

2 Member States shall be responsible for support programmes and shall ensure that they are internally consistent and that they are drawn up and implemented in an objective manner, taking into account the economic situation of the producers concerned and the need to avoid unjustified unequal treatment of producers.

Changes to legislation: There are outstanding changes not yet made to Regulation (EU) No 1308/2013 of the European Parliament and of the Council. Any changes that have already been made to the legislation appear in the content and are referenced with annotations. (See end of Document for details) View outstanding changes

- 3 No support shall be granted for:
- a research projects and measures to support research projects other than those referred to in points (d) and (e) of Article 45(2);
 - b measures contained in Member States' rural development programmes under Regulation (EU) No 1305/2013.

Article 41

Submission of support programmes

[^{X1} Each producer Member State listed in Annex VI shall submit to the Commission a draft five-year support programme containing at least one of the eligible measures set out in Article 43.]

2 The support measures in the draft support programmes shall be drawn up at the geographical level which the Member State considers most appropriate. The Member State shall consult the competent authorities and organisations at the appropriate territorial level on the draft support programme before submitting it to the Commission.

3 Each Member State shall submit a single draft support programme, which may take into account regional particularities.

4 Support programmes shall become applicable three months after the submission of the draft support programme to the Commission.

However, the Commission may adopt implementing acts establishing that the submitted draft support programme does not comply with the rules laid down in this Section, and shall inform the Member State thereof. In such a case, the Member State shall submit a revised draft support programme to the Commission. The revised support programme shall become applicable two months after the submission of the draft revised support programme unless an incompatibility persists, in which case this subparagraph shall apply.

Those implementing acts shall be adopted without applying the procedure referred to in Article 229(2) or (3).

5 Paragraph 4 shall apply *mutatis mutandis* to changes in respect of applicable support programmes submitted by Member States.

2 The restructuring and conversion of vineyards shall be supported if Member States submit the inventory of their production potential in accordance with Article 145(3).

- a varietal conversion, including by means of grafting-on;
- b relocation of vineyards;
- c replanting of vineyards where that is necessary following mandatory grubbing up for health or phytosanitary reasons on the instruction of the Member State competent authority;

Any changes that have already been made to the legislation appear in the content and are referenced with annotations. (See end of Document for details) View outstanding changes

The normal renewal of vineyards, which means the replanting of the same parcel of land with the same wine grape variety according to the same system of vine cultivation, when vines have come to the end of their natural life, shall not be supported.

Member States may lay down further specifications, especially as regards the age of the vineyards replaced.

4 Support for the restructuring and conversion of vineyards, including improving vineyard management techniques, may only take the following forms:

- a compensation to producers for the loss of revenue due to the implementation of the measure;
- b contribution to the costs of restructuring and conversion.

- b financial compensation.

6 The Union contribution to the actual costs of the restructuring and conversion of vineyards shall not exceed 50 %. In less developed regions, the Union contribution to the costs of restructuring and conversion shall not exceed 75 %.

Article 47

Green harvesting

1 For the purposes of this Article, "green harvesting" means the total destruction or removal of grape bunches while still in their immature stage, thereby reducing the yield of the relevant area to zero.

Leaving commercial grapes on the plants at the end of the normal production cycle (non-harvesting) shall not be considered to be green harvesting.

2 Support for green harvesting shall contribute to restoring the balance of supply and demand in the Union wine market in order to prevent market crises.

3 Support for green harvesting may be granted as compensation in the form of a flat rate payment per hectare to be determined by the Member State concerned. The payment shall not exceed 50 % of the sum of the direct costs of the destruction or removal of grape bunches and the loss of revenue related to such destruction or removal.

4 The Member State concerned shall establish a system based on objective criteria to ensure that the green harvesting measure does not lead to compensation of individual wine producers in excess of the ceiling fixed in paragraph 3.

Article 48

Mutual funds

1 Support for the setting up of mutual funds shall provide assistance to producers seeking to insure themselves against market fluctuations.

Changes to legislation: There are outstanding changes not yet made to Regulation (EU) No 1308/2013 of the European Parliament and of the Council. Insurance contracts shall require that beneficiaries undertake necessary risk prevention measures.

2 Support for harvest insurance may be granted in the form of a Union financial contribution which shall not exceed:

- a 80 % of the cost of the insurance premiums paid for by producers for insurance against losses resulting from adverse climatic events which can be assimilated to natural disasters;
- b 50 % of the cost of the insurance premiums paid for by producers for insurance:
 - (i) against losses referred to in point (a) and against other losses caused by adverse climatic events;
 - (ii) against losses caused by animals, plant diseases or pest infestations.

3 Support for harvest insurance may be granted if the insurance payments concerned do not compensate producers for more than 100 % of the income loss suffered, taking into account any compensation the producers may have obtained from other support schemes related to the insured risk.

4 Support for harvest insurance shall not distort competition in the insurance market.

Article 50

Investments

1 Support may be granted for tangible or intangible investments in processing facilities and winery infrastructure, as well as marketing structures and tools. Those investments shall be intended to improve the overall performance of the enterprise and its adaptation to market demands, as well as to increase its competitiveness, and shall concern the production or marketing of grapevine products referred to in Part II of Annex VII, including with a view to improving energy savings, global energy efficiency and sustainable processes.

Changes to legislation: There are outstanding changes not yet made to Regulation (EU) No 1308/2013 of the European Parliament and of the Council. Any changes that have already been made to the legislation appear in the content and are referenced with annotations. (See end of Document for details) View outstanding changes

Article 51

Innovation in the wine sector

Support may be granted for tangible or intangible investments aimed at the development of new products, processes and technologies concerning the products referred to in Part II of Annex VII. The support shall be intended to increase the marketability and competitiveness of Union grapevine products and may include an element of knowledge transfer. The maximum aid rates concerning the Union contribution to the support provided under this Article shall be the same as those set out in Article 50(4).

Article 52

By-product distillation

1 Support may be granted for the voluntary or obligatory distillation of by-products of wine making which has been carried out in accordance with the conditions laid down in Section D of Part II of Annex VIII.

The amount of aid shall be fixed per % volume and per hectolitre of alcohol produced. No aid shall be paid for the volume of alcohol contained in the by-products to be distilled which exceeds 10 % in relation to the volume of alcohol contained in the wine produced.

2 The aid shall be paid to distillers that process by-products of winemaking delivered for distillation into raw alcohol with an alcoholic strength of at least 92 % by volume.

Member States may make the granting of support conditional upon the lodging of a security by the beneficiary.

3 The maximum applicable aid levels shall be based on collection and processing costs and shall be fixed by the Commission by means of implementing acts pursuant to Article 54.

4 The relevant aid shall include a lump-sum amount to compensate for the costs of collection of the by-products of winemaking. That amount shall be transferred from the distiller to the producer, where the relevant costs are borne by the latter.

Changes to legislation: There are outstanding changes not yet made to Regulation (EU) No 1308/2013 of the European Parliament and of the Council. Any changes that have already been made to the legislation appear in the content and are referenced with annotations. (See end of Document for details) [View outstanding changes](#)
