- (n) execution timestamp;
- (o) maturity date;
- (p) termination date;
- (q) CCP; and
- (r) action type.

7. A trade repository shall establish and maintain the technical capability to provide direct and immediate access to details of derivatives contracts necessary for the entities listed in Article 81(3) of Regulation (EU) No 648/2012 to fulfil their mandates and responsibilities. That access shall be provided as follows:

- (a) where an entity listed in Article 81(3) of Regulation (EU) No 648/2012 requests access to details of outstanding derivatives contracts or of derivatives contracts which have either matured or for which reports with action types 'E', 'C', 'Z' or 'P' as referred to in field 93 in Table 2 of the Annex to Implementing Regulation (EU) No 1247/2012 were made not more than one year before the date on which the request was submitted, a trade repository shall fulfil that request no later than 12:00 Universal Coordinated Time on the first calendar day following the day on which the request to access is submitted.
- (b) where an entity listed in Article 81(3) of Regulation (EU) No 648/2012 requests access to details of derivatives contracts which have either matured or for which reports with action types 'E', 'C', 'Z' or 'P' as referred to in field 93 in Table 2 of the Annex to Implementing Regulation (EU) No 1247/2012 were made more than one year before the date on which the request was submitted, a trade repository shall fulfil that request no later than three working days after the request to access is submitted.
- (c) where a request to access data by an entity listed in Article 81(3) of Regulation (EU) No 648/2012 relates to derivative contracts falling under both points (a) and (b), the trade repository shall provide details of those derivatives contracts no later than three working days after that request to access is submitted.

8. A trade repository shall confirm receipt and verify the correctness and completeness of any request to access data submitted by the entities listed in Article 81(3) of Regulation (EU) No 648/2012. It shall notify those entities of the result of that verification no later than sixty minutes after the submission of the request.

9. A trade repository shall use electronic signature and data encryption protocols to ensure the confidentiality, integrity, and protection of the data made available to the entities listed in Article 81(3) of Regulation (EU) No 648/2012.
