

Regulation (EU) No 168/2013 of the European Parliament and of the Council of 15 January 2013 on the approval and market surveillance of two- or three-wheel vehicles and quadricycles (Text with EEA relevance)

CHAPTER XVIII

FINAL PROVISIONS

Article 80

Review on individual vehicles approvals

- 1 By 31 December 2022, the Commission shall submit a report to the European Parliament and to the Council regarding the subjects referred to in paragraph 3.
- 2 The report shall be based on a consultation of relevant stakeholders and shall take into account existing related European and international standards.
- 3 By 31 December 2021 the Member States shall report to the Commission on:
 - a the number of individual approvals granted to L-category vehicles before their first registration per year by the national authorities of that Member State since 1 January 2016;
 - b the national criteria upon which such approvals were based in so far as these criteria deviated from the requirements obligatory for EU type-approval.
- 4 The report shall be accompanied, where appropriate, by legislative proposals, and shall examine the inclusion of individual approvals in this Regulation on the basis of harmonised requirements.

Changes to legislation:

There are currently no known outstanding effects for the Regulation (EU) No 168/2013 of the European Parliament and of the Council, Article 80.
