

Regulation (EU) No 377/2014 of the European Parliament and of the Council of 3 April 2014 establishing the Copernicus Programme and repealing Regulation (EU) No 911/2010 (Text with EEA relevance)

CHAPTER II

**GOVERNANCE OF COPERNICUS**

*Article 13*

**Cooperation with Member States**

1 The Commission shall cooperate with Member States in order to improve the exchange of data and information between them and foster the development of data distribution at regional and local levels. The Commission shall aim to ensure that the required data and information are available to Copernicus. The Member States' contributing missions, service and in situ infrastructures are essential contributions to Copernicus.

2 The Commission may adopt, by means of implementing acts, measures to promote the use of Copernicus data and Copernicus information by Member States and support their access to the technology and development in Earth Observation. Such measures shall not have the effect of distorting free competition. Those implementing acts shall be adopted in accordance with the examination procedure referred to in Article 30(4).

**Changes to legislation:**
