*Section 2*

*Conditions and procedures for authorisation of CSDs*

*Article 16*

**Authorisation of a CSD**

- 1 Any legal person that falls within the definition of CSD shall obtain an authorisation from the competent authority of the Member State where it is established before commencing its activities.
- 2 The authorisation shall specify the core services listed in Section A of the Annex and non-banking-type ancillary services permitted under Section B of the Annex, which the CSD is authorised to provide.
- 3 A CSD shall comply at all times with the conditions necessary for authorisation.
- 4 A CSD as well as its independent auditors, shall, without undue delay, inform the competent authority of any substantive changes affecting the compliance with the conditions for authorisation.

*Article 17*

**Procedure for granting authorisation**

- 1 The applicant CSD shall submit an application for authorisation to its competent authority.
- 2 The application for authorisation shall be accompanied by all information necessary to enable the competent authority to satisfy itself that the applicant CSD has established, at the time of the authorisation, all the necessary arrangements to meet its obligations as laid down in this Regulation. The application for authorisation shall include a programme of operations setting out the types of business envisaged and the structural organisation of the CSD.

3 Within 30 working days from the receipt of the application, the competent authority shall assess whether the application is complete. If the application is not complete, the competent authority shall set a time limit by which the applicant CSD has to provide additional information. The competent authority shall inform the applicant CSD when the application is considered to be complete.

4 From the moment when the application is considered to be complete, the competent authority shall transmit all information included in the application to the relevant authorities and consult those authorities concerning the features of the securities settlement system operated by the applicant CSD. Each relevant authority may inform the competent authority of its views within 3 months of the receipt of the information by the relevant authority.

5 Where the applicant CSD intends to provide services referred to in point (2) of Article 4(1) of Directive 2014/65/EU in addition to the provision of non-banking-type ancillary services explicitly listed in Section B of the Annex, the competent authority shall transmit all information included in the application to the authority referred to in Article 67 of Directive 2014/65/EU and consult that authority on the ability of the applicant CSD to comply with the requirements of Directive 2014/65/EU and of Regulation (EU) No 600/2014.

6 The competent authority shall, before granting authorisation to the applicant CSD, consult the competent authorities of the other Member State involved in the following cases:

- a the CSD is a subsidiary of a CSD authorised in another Member State;
- b the CSD is a subsidiary of the parent undertaking of a CSD authorised in another Member State;
- c the CSD is controlled by the same natural or legal persons who control a different CSD authorised in another Member State.

7 The consultation referred to in paragraph 6 shall cover the following:

- a the suitability of the shareholders and persons referred to in Article 27(6) and the reputation and experience of the persons who effectively direct the business of the CSD referred to in Article 27(1) and (4), where those shareholders and persons are common to the CSD and to a CSD authorised in another Member State;
- b whether the relations referred to in points (a), (b) and (c) of paragraph 6 between the CSD authorised in another Member State and the applicant CSD do not affect the ability of the latter to comply with the requirements of this Regulation.

8 Within six months from the submission of a complete application, the competent authority shall inform the applicant CSD in writing with a fully reasoned decision whether the authorisation has been granted or refused.

9 ESMA shall, in close cooperation with the members of the ESCB, develop draft regulatory technical standards to specify the information that the applicant CSD is to provide to the competent authority in the application for authorisation.

ESMA shall submit those draft regulatory technical standards to the Commission by 18 June 2015.

Power is delegated to the Commission to adopt the regulatory technical standards referred to in the first subparagraph in accordance with Articles 10 to 14 of Regulation (EU) No 1095/2010.

10 ESMA shall, in close cooperation with the members of the ESCB, develop draft implementing technical standards to establish standard forms, templates and procedures for the application for authorisation.

ESMA shall submit those draft implementing technical standards to the Commission by 18 June 2015.

Power is conferred on the Commission to adopt the implementing technical standards referred to in the first subparagraph in accordance with Article 15 of Regulation (EU) No 1095/2010.

#### Article 18

##### Effects of the authorisation

1 The activities of the authorised CSD shall be limited to the provision of services covered by its authorisation or by notification in accordance with Article 19(8).

2 Securities settlement systems may be operated only by authorised CSDs, including central banks acting as CSDs.

3 An authorised CSD may have a participation only in a legal person whose activities are limited to the provision of services listed in Sections A and B of the Annex, unless such a participation is approved by its competent authority on the basis that it does not significantly increase the risk profile of the CSD.

4 ESMA shall, in close cooperation with the members of the ESCB, develop draft regulatory technical standards to specify the criteria to be taken into account by the competent authorities to approve the participation of CSDs in legal persons other than those providing the services listed in Sections A and B of the Annex. Such criteria may include whether the services provided by that legal person are complementary to the services provided by a CSD, and the extent of the CSD's exposure to liabilities arising from such participation.

ESMA shall submit those draft regulatory technical standards to the Commission by 18 June 2015.

Power is delegated to the Commission to adopt the regulatory technical standards referred to in the first subparagraph in accordance with Articles 10 to 14 of Regulation (EU) No 1095/2010.

#### Article 19

##### Extension and outsourcing of activities and services

1 An authorised CSD shall submit an application for authorisation to the competent authority of its home Member State where it wishes to outsource a core service to a third party under Article 30 or extend its activities to one or more of the following:

- a additional core services listed in Section A of the Annex, not covered by the initial authorisation;
- b ancillary services permitted under, but not explicitly listed in Section B of the Annex, not covered by the initial authorisation;
- c the operation of another securities settlement system;
- d the settlement of all or part of the cash leg of its securities settlement system in the books of another settlement agent;
- e setting up an interoperable link, including those with third-country CSDs.

2 The granting of authorisation under paragraph 1 shall follow the procedure laid down in Article 17.

The competent authority shall inform the applicant CSD whether the authorisation has been granted or refused within three months of the submission of a complete application.

3 CSDs established in the Union that intend to establish an interoperable link shall submit an application for authorisation as required under point (e) of paragraph 1, to their respective competent authorities. Those authorities shall consult each other regarding the approval of the CSD link. In the event of divergent decisions and if agreed by both competent authorities the matter may be referred to ESMA, which may act in accordance with the powers conferred on it under Article 19 of Regulation (EU) No 1095/2010.

4 The authorities referred to in paragraph 3 shall refuse to authorise a link only where such a CSD link would threaten the smooth and orderly functioning of the financial markets or cause systemic risk.

5 Interoperable links of CSDs that outsource some of their services related to those interoperable links to a public entity in accordance with Article 30(5) and CSD links that are not referred to in point (e) of paragraph 1 shall not be subject to authorisation under that point but shall be notified to the CSDs' competent and relevant authorities prior to their implementation by providing all relevant information that allows such authorities to assess compliance with the requirements provided in Article 48.

6 A CSD established and authorised in the Union may maintain or establish a link with a third-country CSD in accordance with the conditions and procedures provided in this Article. Where links are established with a third-country CSD the information provided by the requesting CSD shall allow the competent authority to evaluate whether such links fulfil the requirements provided in Article 48 or the requirements that are equivalent to those provided in Article 48.

7 The competent authority of the requesting CSD shall require that CSD to discontinue a CSD link that has been notified when such link does not fulfil the requirements provided for in Article 48 and thereby would threaten the smooth and orderly functioning of the financial markets or cause systemic risk. Where a competent authority requires the CSD to discontinue a CSD link, it shall follow the procedure laid down in Article 20(2) and (3).

8 The additional ancillary services explicitly listed in Section B of the Annex shall not be subject to authorisation, but shall be notified to the competent authority prior to their provision.

## *Article 20*

### **Withdrawal of authorisation**

1 Without prejudice to any remedial actions or measures under Title V, the competent authority of the home Member State shall withdraw the authorisation in any of the following circumstances, where the CSD:

- a has not made use of the authorisation during 12 months, expressly renounces the authorisation or has provided no services or performed no activity during the preceding six months;
- b has obtained the authorisation by making false statements or by any other unlawful means;
- c no longer complies with the conditions under which authorisation was granted and has not taken the remedial actions requested by the competent authority within a set time-frame;

d has seriously or systematically infringed the requirements laid down in this Regulation or, where applicable, in Directive 2014/65/EU or Regulation (EU) No 600/2014.

2 From the moment when it becomes aware of one of the circumstances referred to in paragraph 1, the competent authority shall immediately consult the relevant authorities and, where applicable, the authority referred to in Article 67 of Directive 2014/65/EU on the necessity to withdraw the authorisation.

3 ESMA and any relevant authority and, where applicable, the authority referred to in Article 67 of Directive 2014/65/EU may, at any time, request that the competent authority of the home Member State examines whether the CSD still complies with the conditions under which the authorisation was granted.

4 The competent authority may limit the withdrawal of authorisation to a particular service, activity, or financial instrument.

5 A CSD shall establish, implement and maintain adequate procedures ensuring the timely and orderly settlement and transfer of the assets of clients and participants to another CSD in the event of a withdrawal of authorisation referred to in paragraph 1.

#### *Article 21*

#### **CSD register**

1 Decisions taken by competent authorities under Articles 16, 19 and 20 shall be immediately communicated to ESMA.

2 Central banks shall without undue delay inform ESMA of any securities settlement system that they operate.

3 The name of each CSD operating in compliance with this Regulation and to which authorisation or recognition has been granted pursuant to Article 16, 19 or 25 shall be entered in a register specifying the services and, where applicable, classes of financial instruments for which the CSD has been authorised. The register shall include branches operated by the CSD in other Member States, CSD links and the information required under Article 31 where Member States have made use of the possibility provided for in that Article. ESMA shall make the register available on its dedicated website and keep it up to date.
