Section 4

Provision of services in another member state

Article 23

Freedom to provide services in another Member State

1 An authorised CSD may provide services referred to in the Annex within the territory of the Union, including through setting up a branch, provided that those services are covered by the authorisation.

2 An authorised CSD that intends to provide the core services referred to in points 1 and 2 of Section A of the Annex in relation to financial instruments constituted under the law of another Member State referred to in Article 49(1) or to set up a branch in another Member State shall be subject to the procedure referred to in paragraphs 3 to 7.

3 Any CSD wishing to provide the services referred to in paragraph 2 within the territory of another Member State for the first time, or to change the range of those services provided shall communicate the following information to the competent authority of the home Member State:

- a the Member State in which the CSD intends to operate;
- b a programme of operations stating in particular the services which the CSD intends to provide;
- c the currency or currencies that the CSD intends to process;
- d where there is a branch, the organisational structure of the branch and the names of those responsible for the management of the branch;
- e where relevant, an assessment of the measures the CSD intends to take to allow its users to comply with the national law referred to in Article 49(1).

4 Within three months from the receipt of the information referred to in paragraph 3, the competent authority of the home Member State shall communicate that information to the competent authority of the host Member State unless, by taking into account the provision of services envisaged, it has reasons to doubt the adequacy of the administrative structure or the financial situation of the CSD wishing to provide its services in the host Member State.

Changes to legislation: There are outstanding changes not yet made to Regulation (EU) No 909/2014 of the European Parliament and of the Council. Any changes that have already been made to the legislation appear in the content and are referenced with annotations. (See end of Document for details) View outstanding changes

The competent authority of the host Member State shall without delay inform the relevant authorities of that Member State of any communication received under the first subparagraph.

5 Where the competent authority of the home Member State decides in accordance with paragraph 4 not to communicate all the information referred to in paragraph 3 to the competent authority of the host Member State it shall give reasons for its refusal to the CSD concerned within three months of receiving all the information and inform the competent authority of the host Member State of its decision in relation to point (a) of paragraph 6. Where information is shared in response to such a request the competent authority of the host Member State shall not issue the communication referred to in point (a) of paragraph 6.

6 The CSD may start providing the services referred to in paragraph 2 in the host Member State under the following conditions:

- a on receipt of a communication from the competent authority in the host Member State acknowledging receipt by the latter of the communication referred to in paragraph 4 and, where relevant, approving the assessment referred to in point (e) of paragraph 3;
- b in the absence of any receipt of a communication, after three months from the date of transmission of the communication referred to in paragraph 4.

7 In the event of a change in any of the information communicated in accordance with paragraph 3, a CSD shall give written notice of that change to the competent authority of the home Member State at least one month before implementing the change. The competent authority of the host Member State shall also be informed of that change without delay by the competent authority of the home Member State.

Article 24

Cooperation between authorities of the home Member State and of the host Member State and peer review

1 Where a CSD authorised in one Member State has set up a branch in another Member State, the competent authority of the home Member State and the competent authority of the host Member State shall cooperate closely in the performance of their duties provided for in this Regulation, in particular when carrying out on-site inspections in that branch. The competent authority of the home Member State and of the host Member State may, in the exercise of their responsibilities, carry out on-site inspections in that branch after informing the competent authority of the host Member State or of the home Member State respectively.

2 The competent authority of the home Member State or of the host Member State may require CSDs which provide services in accordance with Article 23 to report to them periodically on their activities in that host Member State, including for the purpose of collecting statistics. The competent authority of the host Member State shall, on request from the competent authority of the home Member State, provide those periodic reports to the competent authority of the home Member State.

3 The competent authority of the home Member State of the CSD shall, on the request of the competent authority of the host Member State and without delay, communicate the identity of the issuers and participants in the securities settlement systems operated by the CSD which provides services in that host Member State and any other relevant information concerning the activities of that CSD in the host Member State.

4 Where, taking into account the situation of the securities markets in the host Member State, the activities of a CSD have become of substantial importance for the functioning of the

securities markets and the protection of the investors in that host Member State, the competent authority of the home Member State and of the host Member State and the relevant authorities of the home Member State and of the host Member State shall establish cooperation arrangements for the supervision of the activities of that CSD in the host Member State.

Where a CSD has become of substantial importance for the functioning of the securities markets and the protection of the investors in more than one host Member State, the home Member State may decide that such cooperation arrangements are to include colleges of supervisors.

5 Where the competent authority of the host Member State has clear and demonstrable grounds for believing that a CSD providing services within its territory in accordance with Article 23 is in breach of the obligations arising from the provisions of this Regulation, it shall refer those findings to the competent authority of the home Member State and to ESMA.

Where, despite measures taken by the competent authority of the home Member State or because such measures prove inadequate, the CSD persists in acting in infringement of the obligations arising from the provisions of this Regulation, after informing the competent authority of the home Member State, the competent authority of the host Member State shall take all the appropriate measures needed in order to ensure compliance with the provisions of this Regulation within the territory of the host Member State. ESMA shall be informed of such measures without delay.

The competent authority of the host Member State and of the home Member State may refer the matter to ESMA, which may act in accordance with the powers conferred on it under Article 19 of Regulation (EU) No 1095/2010.

6 Without prejudice to Article 30 of Regulation (EU) No 1095/2010, ESMA shall, after consulting the members of the ESCB, organise and conduct, at least every three years, a peer review of the supervision of CSDs which make use of the freedom to provide services in another Member State in accordance with Article 23 or to participate in an interoperable link.

In the context of the peer review referred to in the first subparagraph ESMA shall, where appropriate, also request opinions or advice from the Securities and Markets Stakeholder Group referred to in Article 37 of Regulation (EU) No 1095/2010.

7 The Commission shall be empowered to adopt delegated acts in accordance with Article 67 concerning measures for establishing the criteria under which the operations of a CSD in a host Member State could be considered to be of substantial importance for the functioning of the securities markets and the protection of the investors in that host Member State.

8 ESMA shall, in close cooperation with the members of the ESCB, develop draft implementing technical standards to establish standard forms, templates and procedures for the cooperation referred to in paragraphs 1, 3 and 5.

ESMA shall submit those draft implementing technical standards to the Commission by 18 June 2015.

Power is conferred on the Commission to adopt the implementing technical standards referred to in the first subparagraph in accordance with Article 15 of Regulation (EU) No 1095/2010.
