

ANNEX I

PART 1

DOCUMENT D'IDENTIFICATION DES ÉQUIDÉS

Ces instructions sont rédigées en vue d'assister l'utilisateur et n'entraînent pas l'application des règles établies par le règlement d'exécution (UE) 2015/262 de la Commission⁽¹⁾.

I. Le document d'identification doit comporter toutes les instructions nécessaires à son utilisation ainsi que les coordonnées de l'organisme émetteur en français, en anglais et dans une des langues officielles de l'État membre ou du pays dans lequel l'organisme émetteur a son siège.

II. Le document d'identification doit contenir les renseignements suivants:

1. **Section I — Identification**

L'équidé doit être identifié par l'organisme émetteur. Le numéro unique d'identification valable à vie doit permettre d'identifier clairement l'équidé ainsi que l'organisme émetteur du document d'identification et doit être compatible avec le système UELN (numéro universel d'identification des équidés). Dans le signalement figurant à la section I, partie A, notamment au point 3, l'utilisation d'abréviations doit être évitée autant que possible. À la section I, partie A, point 5, un champ doit être prévu pour insérer au moins quinze chiffres du code transmis par le transpondeur.

À la section I, partie B, le signalement graphique doit être effectué à l'aide d'un stylo à bille à encre rouge pour les marques et d'un stylo à bille à encre noire pour les épis, ou à l'aide de ces mêmes couleurs s'il est effectué par voie électronique, selon les lignes directrices fournies par la Fédération équestre internationale (FEI) ou par Weatherbys.

La section I, partie C, doit servir à enregistrer toute modification des données d'identification.

2. **Section II — Administration de médicaments vétérinaires**

Les parties I et II ou la partie III de cette section doivent être dûment complétées suivant les instructions établies dans cette section.

3. **Section III — Validité des documents pour les mouvements d'équidés**

Les suspensions ou rétablissements de la validité du document conformément à l'article 4, paragraphe 4, point (a), deuxième alinéa, de la directive 2009/156/CE doivent être consignés.

4. **Section IV — Propriétaire**

Le nom du propriétaire ou celui de son agent ou représentant doit être mentionné si l'organisme émetteur le requiert.

5. **Section V — Certificat d'origine**

Si l'équidé est inscrit ou enregistré et susceptible d'être inscrit dans un livre généalogique tenu par une organisation d'élevage agréée ou reconnue, le document d'identification doit indiquer le pedigree de l'équidé ainsi que la classe du livre généalogique dans laquelle celui-ci est inscrit conformément aux règles de l'organisation d'élevage agréée ou reconnue délivrant le document d'identification.

6. **Section VI — Enregistrement des contrôles d'identité**

Changes to legislation: There are outstanding changes not yet made to Commission Implementing Regulation (EU) 2015/262. Any changes that have already been made to the legislation appear in the content and are referenced with annotations. (See end of Document for details) View outstanding changes

À chaque fois que les lois et règlements l'exigent, l'identité de l'équidé doit faire l'objet de contrôles enregistrés par l'autorité compétente, au nom de l'organisme émetteur, ou par l'organisation gérant des chevaux en vue de la compétition ou des courses.

7. Section VII — Enregistrement des vaccinations contre la grippe équine

Toutes les vaccinations contre la grippe équine, y compris par administration de vaccins combinés, doivent être enregistrées à la section VII. Ces informations peuvent être fournies moyennant l'apposition d'un autocollant.

8. Section VIII — Enregistrement des vaccinations autres que les vaccinations contre la grippe équine

Toutes les vaccinations autres que les vaccinations contre la grippe équine doivent être enregistrées à la section VIII. Ces informations peuvent être fournies moyennant l'apposition d'un autocollant.

9. Section IX — Examens de laboratoire

Les résultats de tous les examens pratiqués pour déceler une maladie transmissible doivent être consignés.

III. Le document d'identification peut contenir les renseignements suivants:

10. Section X — Conditions sanitaires de base (obligatoire pour les équidés enregistrés)

Ces conditions ne s'appliquent qu'aux mouvements d'équidés enregistrés qui ont lieu sur le territoire d'un même Etat membre.

11. Section XI — Châtaignes

Cette section est nécessaire au respect du modèle de document d'identification de la Fédération équestre internationale (FEI).

IV. Sauf s'il est détruit sous surveillance officielle à l'abattoir, le document d'identification doit être restitué à l'organisme émetteur en cas de mort, d'élimination, de perte ou de vol de l'animal, ou si celui-ci est abattu à des fins de lutte contre les maladies.

Changes to legislation: There are outstanding changes not yet made to Commission Implementing Regulation (EU) 2015/262. Any changes that have already been made to the legislation appear in the content and are referenced with annotations. (See end of Document for details) [View outstanding changes](#)

- (1) Règlement d'exécution (UE) 2015/262 de la Commission du 17 février 2015 établissant des règles conformément aux directives 90/427/CEE et 2009/156/CE du Conseil en ce qui concerne les méthodes d'identification des équidés (règlement sur le passeport équin) ([JO L 59 du 3.3.2015, p. 1](#)).

Changes to legislation:

There are outstanding changes not yet made to Commission Implementing Regulation (EU) 2015/262. Any changes that have already been made to the legislation appear in the content and are referenced with annotations.
