[^{F1} Article 173

Criteria for the use of transitional measure for standard equity risk

1 The transitional measure for standard equity risk set out in Article 308b(13) of Directive 2009/138/EC shall only apply to equities that were purchased on or before 1 January 2016 and which are not subject to the duration-based equity risk [^{F2}sub-module].

2 Where equities are held within an collective investment undertaking or other investments packaged as funds, and where the look-through approach is not possible, the transitional measure set out in Article 308b(13) of Directive 2009/138/EC shall be applied to the proportion of equities held within the collective investment undertaking or investment packaged as funds in accordance with the target underlying asset allocation on 1 January 2016 , provided the target allocation is available to the undertaking. The proportion of equities to which the transitional is applied shall be reduced annually in proportion to the asset turnover ratio of the collective investment undertaking or investment packaged as funds. Where the target allocation for equity investments of the collective investment undertaking or investment packaged as funds increases, the proportion of equities the transitional is applied to shall not increase.]
