## CHAPTER II

### **Explanatory notes and the particulars (data) for the transit list of items**

When a movement consists of more than one item, then the sheet A of the transit list of items shall always be printed by the computer system and shall be attached to the transit accompanying document.

The boxes of the list of items are vertically expandable.

Particulars have to be printed as follows:

1. In the identification box (upper left corner):
  - (a) list of items;
  - (b) serial number of the current sheet and the total number of the sheets (including the transit accompanying document).
2. OoDep — name of the office of departure.
3. Date — acceptance date of the transit declaration.
4. MRN — Movement Reference Number as defined in Appendix F1.)
5. The particulars of the different boxes at item level have to be printed as follows:
  - (a) item no — serial number of the current item;
  - (b) regime — if the status of the goods for the whole declaration is uniform, the box is not used;
  - (c) if mixed consignment, the actual status, T1, T2 or T2F, is printed.

**Changes to legislation:**

There are currently no known outstanding effects for the Commission Delegated Regulation (EU) 2016/341, TRANSIT LIST OF ITEMS (TLiI).
