

Commission Delegated Regulation (EU) 2016/341 of 17 December 2015 supplementing Regulation (EU) No 952/2013 of the European Parliament and of the Council as regards transitional rules for certain provisions of the Union Customs Code where the relevant electronic systems are not yet operational and amending Delegated Regulation (EU) 2015/2446

CHAPTER 8

FINAL PROVISIONS

Article 55

Amendments to Delegated Regulation (EU) 2015/2446

Delegated Regulation (EU) 2015/2446 is amended as follows:

(1) in Article 2, the following paragraphs are added:

3. By way of derogation from paragraph 1 of this Article, until the date of deployment of the first phase of the upgrading of the binding tariff information (“BTI”) system and the Surveillance 2 system referred to in the Annex to Implementing Decision 2014/255/EU, column 1a of Annex A of this Regulation shall not apply and the respective data requirements set out in Annexes 2 to 5 to Commission Delegated Regulation (EU) 2016/341⁽¹⁾ shall apply.

By way of derogation from paragraph 1 of this Article, until the date of the upgrading of the AEO system referred to in the Annex to Implementing Decision 2014/255/EU, column 2 of Annex A of this Regulation shall not apply and the respective data requirements set out in Annexes 6 and 7 to Delegated Regulation (EU) 2016/341 shall apply.

4. By way of derogation from paragraph 2 of this Article, for the IT systems listed in Annex 1 to Delegated Regulation (EU) 2016/341, until the respective dates of deployment or the upgrading of the relevant IT systems referred to in the Annex to Implementing Decision 2014/255/EU, the common data requirements set out in Annex B of this Regulation shall not apply.

For the IT systems listed in Annex 1 to Delegated Regulation (EU) 2016/341, until the respective dates of deployment or the upgrading of the relevant IT systems referred to in the Annex to Implementing Decision 2014/255/EU, the exchange and storage of information required for declarations, notifications and proof of customs status shall be subject to the data requirements set out in Annex 9 to Delegated Regulation (EU) 2016/341.

Where the data requirements for the exchange and storage of information required for declarations, notifications and proof of customs status are not set out in Annex 9 to Delegated Regulation (EU) 2016/341, Member States shall ensure that the respective data requirements are such as to warrant that the provisions governing those declarations, notifications and proof of customs status can be applied.

5. Until the date of deployment of the UCC Customs Decisions system referred to in the Annex to Implementing Decision 2014/255/EU, customs authorities may

Delegated Regulation (EU) 2016/341, CHAPTER 8. (See end of Document for details)

decide that appropriate alternative data requirements to those laid down in Annex A of this Regulation are to apply in respect of the following applications and authorisations:

- a Applications and authorisations relating to the simplification for the determination of amounts being part of the customs value of the goods;
- b Applications and authorisations relating to comprehensive guarantees;
- c Applications and authorisations for deferred payment;
- d Applications and authorisations for the operation of temporary storage facilities as referred to in Article 148 of the Code;
- e Applications and authorisations for regular shipping services;
- f Applications and authorisations for authorised issuer;
- g Applications and authorisations for the status of authorised weigher of bananas;
- h Applications and authorisations for self-assessment;
- i Applications and authorisations for the status of authorised consignee for TIR operations;
- j Applications and authorisations for the status of authorised consignor for Union transit;
- k Applications and authorisations for the status of authorised consignee for Union transit;
- l Applications and authorisations for the use of seals of a special type;
- m Applications and authorisations for the use of a transit declaration with reduced dataset;
- n Applications and authorisations for the use of an electronic transport document as customs declaration.

6 Where a Member State decides in accordance with paragraph 5 that alternative data requirements are to apply, it shall ensure that those alternative data requirements allow the Member State to verify that the conditions for granting the authorisation concerned are fulfilled, and that they include at least the following requirements:

- a The identification of the applicant/holder of the authorisation (data element 3/2 Applicant/Holder of the authorisation or decision identification or, where lacking a valid EORI number of the applicant, data element 3/1 Applicant/Holder of the authorisation or decision);
- b The type of application or authorisation (data element 1/1 Application/Decision code type);
- c The use of the authorisation in one or more Member States (data element 1/4 Geographical validity — Union), where applicable.

7 Until the date of deployment of the UCC Customs Decisions system, customs authorities may allow that the data requirements for applications and authorisations set out in Annex 12 to Delegated Regulation (EU) 2016/341 shall apply instead of the data requirements laid down in Annex A to this Regulation for the following procedures:

- a Applications and authorisations for the use of simplified declaration;
- b Applications and authorisations for centralised clearance;
- c Applications and authorisations for entry of data in the declarant's records;
- d Applications and authorisations for the use of inward processing;
- e Applications and authorisations for the use of outward processing;
- f Applications and authorisations for the use of end use;

Changes to legislation: There are currently no known outstanding effects for the Commission Delegated Regulation (EU) 2016/341, CHAPTER 8. (See end of Document for details)

- g Applications and authorisations for the use of temporary admission;
- h Applications and authorisations for the operation of storage facilities for customs warehousing;

8 Notwithstanding paragraph 7, until the dates of deployment of the UCC Automated Export System (AES) or of the upgrading of the National Import Systems, where an application for an authorisation is based on a customs declaration in accordance with Article 163(1) of this Regulation, the customs declaration shall also contain the following data:

- a Data requirements common to all procedures:
 - Nature of the processing or use of the goods;
 - Technical descriptions of the goods and/or processed products and means of identifying them;
 - Estimated period for discharge;
 - Proposed office of discharge (not for end-use); and
 - Place of processing or use.
- b Specific data requirements for inward processing:
 - Codes of economic conditions referred to in the Appendix to Annex 12 of Delegated Regulation (EU) 2016/341;
 - Estimated rate of yield or method by which that rate is to be determined; and
 - Whether the calculation of the amount of import duty should be made in accordance with Article 86(3) of the Code (indicate ‘yes’ or ‘no’);

(2) in Article 3, the following paragraphs are added:

By way of derogation from the first paragraph, until the date of the upgrading of the EORI system provided for in the Annex to Implementing Decision 2014/255/EU, the common data requirements set out in Annex 12-01 shall not apply.

Until the date of the upgrading of the EORI system, Member States shall collect and store the following data as set out in Annex 9, Appendix E to Delegated Regulation (EU) 2016/341, which shall constitute the EORI record:

- (a) data listed in points 1 to 4 of Annex 9, Appendix E to Delegated Regulation (EU) 2016/341;
- (b) where required by national systems, the data listed in points 5 to 12 of the Annex 9, Appendix E to Delegated Regulation (EU) 2016/341.

Member States shall upload the data collected in accordance with the third paragraph of this Article on a regular basis to the EORI system.

By way of derogation from the second and third paragraph of this Article, it shall be optional for Member States to collect the data element listed in Title I, Chapter 3, Point 4 to Annex 12-01. Where that element is collected by Member States, it shall be uploaded to the EORI system as soon as possible after the upgrading of that system.;

(3) in Article 104, the following paragraphs are added:

3. Until the dates of the upgrading of the Import Control System referred to in the Annex to Implementing Decision 2014/255/EU, paragraph 2 of this Article shall

Delegated Regulation (EU) 2016/341, CHAPTER 8. (See end of Document for details)

not apply and the lodging of an entry summary declaration shall be waived in respect of goods in postal consignments;

4 Until the date of upgrading of the Import Control System referred to in the Annex to Implementing Decision 2014/255/EU, the lodging of an entry summary declaration shall be waived in respect of goods in a consignment, the intrinsic value of which does not exceed EUR 22, provided that the customs authorities accept, with the agreement of the economic operator, to carry out a risk analysis using the information contained in, or provided by, the system used by the economic operator.;

(4) in Article 106, the following paragraph is added:

3. By way of derogation from paragraphs 1 and 2 of this Article, until the date of upgrading of the Import Control System referred to in the Annex to Implementing Decision 2014/255/EU, the entry summary declaration shall be lodged within the following time-limits:

- a for flights with a duration of less than four hours, at the latest by the time of the actual departure of the aircraft; and
- b for flights with a duration of four hours or more, at the latest four hours before the arrival of the aircraft at the first airport in the customs territory of the Union.;

(5) in Article 112, the following paragraph is added:

3. Until the dates of the upgrading of the Import Control System referred to in the Annex to Implementing Decision 2014/255/EU, paragraphs 1 and 2 of this Article shall not apply.;

(6) in Article 113, the following paragraph is added:

4. Until the dates of the upgrading of the Import Control System referred to in the Annex to Implementing Decision 2014/255/EU, paragraphs 1 to 3 of this Article shall not apply.;

(7) the following Article 122a is inserted:

Article 122a

RSS information and communications system(Article 155(2) of the Code)

1 Until the date of deployment of the UCC Customs Decisions system referred to in the Annex to Implementing Decision 2014/255/EU, the Commission and the customs authorities of the Member States shall, using an electronic regular shipping services information and communication system, store and have access to the following information:

- a the data of the applications;
- b the regular shipping service authorisations and, where applicable, their amendment or revocation;
- c the names of the ports of call and the names of the vessels assigned to the service;
- d all other relevant information.

2 The customs authorities of the Member State to whom the application has been made shall notify the customs authorities of the other Member States concerned

by the shipping service through the electronic regular shipping services information and communication system referred to in paragraph 1.

3 If the customs authorities notified refuse the application it shall be communicated through the electronic regular shipping service information and communication system referred to in paragraph 1.

4 The electronic regular shipping service information and communication system referred to in paragraph 1 shall be used to store the authorisation and to notify the customs authorities of the Member States concerned by the shipping service that the authorisation was issued.

5 Where an authorisation is revoked by the customs authority to whom the application has been made or at the request of the shipping company, that customs authority shall notify the revocation to the customs authorities of the Member States concerned by the shipping service using the electronic regular shipping services information and communication system referred to in paragraph 1.;

(8) in Article 124, the following paragraph is added:

Until the date of deployment of the UCC Proof of Union Status (PoUS) system referred to in the Annex to Implementing Decision 2014/255/EU, the first paragraph of this Article shall not apply.;

(9) the following Article 124a is inserted:

Article 124a

Proof of the customs status of Union goods by means of a 'T2L' or 'T2LF' document(Article 6(3)(a) of the Code)

Until the deployment of the PoUS system referred to in the Annex to the Implementing Decision 2014/255/EU and when a paper 'T2L' or 'T2LF' document is used, the following applies:

- (a) The person concerned shall enter 'T2L' or 'T2LF' in the right-hand subdivision of box 1 of the form and 'T2Lbis' or 'T2LFbis' in the right-hand subdivision of box 1 of any continuation sheets used.
- (b) The customs authorities may authorise any persons to use loading lists which do not comply with all the requirements, where those persons:
 - are established in the Union;
 - regularly issue the proof of the customs status of Union goods, or whose customs authorities know that they can meet the legal obligations for the use of those proofs;
 - have not committed any serious or repeated offences against customs or tax legislation.
- (c) The authorisations referred to in point (b) shall be granted only where:
 - the customs authorities are able to supervise the procedure and carry out controls without an administrative effort disproportionate to the requirements of the person concerned, and
 - the person concerned keeps records which enable the customs authorities to carry out effective controls.

Changes to legislation: There are currently no known outstanding effects for the Commission Delegated Regulation (EU) 2016/341, CHAPTER 8. (See end of Document for details)

- (d) A 'T2L' or 'T2LF' document shall be drawn up in a single original.
- (e) In case of endorsement by customs it shall comprise the following, which should, as far as possible, appear in box 'C'. Office of departure':

Article 128c

Authorisation to draw up the shipping company's manifest after departure(Article 153(2) of the Code)

Until the date of deployment of the PoUS system referred to in the Annex to Implementing Decision 2014/255/EU, the customs authorities of the Member States may authorise shipping companies not to draw up the shipping company's manifest referred to in Article 199(2) of Implementing Regulation (EU) 2015/2447 serving to demonstrate the customs status of Union goods until, at the latest, the day after the departure of the vessel and, in any case, before its arrival at the port of destination.

Article 128d

Conditions to be authorised to draw up the shipping company's manifest after departure(Articles 6(3)(a) and 153(2) of the Code)

1 Until the date of deployment of the UCC Customs Decisions system referred to in the Annex to Implementing Decision 2014/255/EU, the authorisation not to draw up the shipping company's manifest serving to demonstrate the customs status of Union goods until, at the latest, the day after the departure of the vessel and, in any case, before its arrival at the port of destination, shall be granted only to international shipping companies which fulfil the following conditions:

- a they are established in the Union;
- b they regularly issue the proof of the customs status of Union goods, or whose customs authorities know that they can meet the legal obligations for the use of those proofs;
- c they have not committed any serious or repeated offences against customs or tax legislation;
- d they use electronic data interchange systems to transmit information between the ports of departure and destination in the customs territory of the Union;
- e they operate a significant number of voyages between the Member States on recognised routes.

2 The authorisations referred to in paragraph 1 shall be granted only where:

Changes to legislation: There are currently no known outstanding effects for the Commission Delegated Regulation (EU) 2016/341, CHAPTER 8. (See end of Document for details)

- a the customs authorities are able to supervise the procedure and carry out controls without an administrative effort disproportionate to the requirements of the person concerned, and
- b the persons concerned keep records which enable the customs authorities to carry out effective controls.

3 Where the person concerned holds an AEO certificate referred to in Article 38(2)a of the Code, the requirements set out in paragraph 1(c) and 2(b) of this Article shall be deemed to be met.

4 On receipt of an application, the customs authorities of the Member State where the shipping company is established shall notify the other Member States in whose respective territories the ports of departure and intended destination are situated of that application.

If no objection is received within 60 days of the date of notification, the customs authorities shall authorise use of the simplified procedure described in Article 128c.

This authorisation shall be valid in the Member States concerned and shall apply only to transport operations between the ports to which it refers.

5 The simplification shall be operated as follows:

- a the manifest for the port of departure shall be transmitted by electronic data interchange system to the port of destination;
- b the shipping company shall enter in the manifest the information indicated in Article 126a;
- c the manifest transmitted by electronic data exchange (data exchange manifest) shall be presented to the customs authorities at the port of departure at the latest on the working day following the departure of the vessel and in any case before it arrives at the port of destination. The customs authorities may require a printout of the data exchange manifest to be presented when they do not have access to an information system as approved by the customs authorities containing the data exchange manifest;
- d the data exchange manifest shall be presented to the customs authorities at the port of destination. The customs authorities may require a printout of the data exchange manifest to be presented when they do not have access to an information system as approved by the customs authorities containing the data exchange manifest.

6 The following notifications shall be made:

- a the shipping company shall notify all offences and irregularities to the customs authorities;
- b the customs authorities at the port of destination shall notify the customs authorities at the port of departure and the authority which issued the authorisation of all offences and irregularities at the earliest opportunity.;

(14) in Article 138, the following paragraph is added:

However, the dates of the upgrading of the National Import Systems for the Member State where the goods are deemed to be declared, as referred to in the Annex to Implementing Decision 2014/255/EU, the following shall apply:

- (a) point (f) of the first paragraph shall only apply where the goods in question also benefit from relief from other charges, and

Changes to legislation: There are currently no known outstanding effects for the Commission Delegated Regulation (EU) 2016/341, CHAPTER 8. (See end of Document for details)

- (b) goods the intrinsic value of which does not exceed EUR 22 shall be deemed to be declared for release for free circulation in accordance with Article 141.;
- (15) in Article 141, the following paragraph is added:
5. Until the dates of the upgrading of the National Import Systems for the Member State where the goods are deemed to be declared, as referred to in the Annex to Implementing Decision 2014/255/EU, goods the intrinsic value of which does not exceed EUR 22 shall be deemed to be declared for release for free circulation by their presentation to customs pursuant to Article 139 of the Code provided that the data required are accepted by the customs authorities.
- (16) in Article 144, the following paragraphs are added:
- Until the dates of the upgrading of the relevant National Import Systems necessary for the submission of presentation notifications, as referred to in the Annex to Implementing Decision 2014/255/EU, the customs declaration for release for free circulation of goods in postal consignments referred to in the first paragraph shall be considered to have been lodged and accepted by the act of their presentation to customs, provided the goods are accompanied by a CN22 declaration/or a CN23 declaration or both.
- In the cases referred to in the first subparagraph of Article 141, paragraph 2 and in paragraph 3 of that Article, the consignee shall be considered to be the declarant and, where applicable, the debtor. In the cases referred to in the second subparagraph of Article 141, paragraph 2 and in paragraph 4 of that Article, the consignor shall be considered to be the declarant and, where applicable, the debtor. The customs authorities may provide that the postal operators shall be considered as the declarant, and, where applicable, as the debtor.;
- (17) in Article 146, the following paragraph is added:
4. Until the respective dates of deployment of the AES and the upgrading of the relevant National Import Systems referred to in the Annex to Implementing Decision 2014/255/EU and without prejudice to Article 105(1) of the Code, customs authorities may allow for deadlines other than those specified in paragraphs 1 and 3 of this Article.;
- (18) in Article 181, the following paragraph is added:
5. Until the dates of deployment of the UCC Information Sheets (INF) for Special Procedures system referred to in the Annex to Implementing Decision 2014/255/EU, by derogation from paragraph 1 of this Article, means other than electronic data processing techniques may be used.
- (19) in Article 184, the following paragraph is added:
- Until the dates of the upgrading of the New Computerised Transit System referred to in the Annex to Implementing Decision 2014/255/EU, the MRN of a transit declaration shall be submitted to the customs authorities by the means referred to in points (b) and (c) of the first paragraph.
