

Regulation (EU) 2017/1129 of the European Parliament and of the Council of 14 June 2017 on the prospectus to be published when securities are offered to the public or admitted to trading on a regulated market, and repealing Directive 2003/71/EC (Text with EEA relevance)

CHAPTER VIII

**ADMINISTRATIVE SANCTIONS AND OTHER ADMINISTRATIVE MEASURES**

*Article 42*

**Publication of decisions**

1 A decision imposing an administrative sanction or other administrative measure for infringement of this Regulation shall be published by competent authorities on their official websites immediately after the person subject to that decision has been informed of that decision. The publication shall include at least information on the type and nature of the infringement and the identity of the persons responsible. That obligation does not apply to decisions imposing measures that are of an investigatory nature.

2 Where the publication of the identity of the legal entities, or identity or personal data of natural persons, is considered by the competent authority to be disproportionate following a case-by-case assessment conducted on the proportionality of the publication of such data, or where such publication would jeopardise the stability of financial markets or an on-going investigation, Member States shall ensure that the competent authorities do one of the following:

- a defer the publication of the decision to impose a sanction or a measure until the moment where the reasons for non-publication cease to exist;
- b publish the decision to impose a sanction or a measure on an anonymous basis in a manner which is in conformity with national law, where such anonymous publication ensures an effective protection of the personal data concerned;
- c not publish the decision to impose a sanction or measure in the event that the options laid down in points (a) and (b) are considered to be insufficient to ensure:
  - (i) that the stability of financial markets would not be put in jeopardy;
  - (ii) the proportionality of the publication of such decisions with regard to measures which are deemed to be of a minor nature.

In the case of a decision to publish a sanction or measure on an anonymous basis, as referred to in point (b) of the first subparagraph, the publication of the relevant data may be deferred for a reasonable period where it is foreseen that within that period the reasons for anonymous publication shall cease to exist.

3 Where the decision to impose a sanction or measure is subject to appeal before the relevant judicial or other authorities, competent authorities shall also publish, immediately, on their official website such information and any subsequent information on the outcome of such appeal. Moreover, any decision annulling a previous decision to impose a sanction or a measure shall also be published.

4 Competent authorities shall ensure that any publication, in accordance with this Article shall remain on their official website for a period of at least five years after its publication.
