

Commission Implementing Regulation (EU) 2018/1969 of 12 December
2018 operating deductions from fishing quotas available for certain
stocks in 2018 on account of overfishing in the previous years

COMMISSION IMPLEMENTING REGULATION (EU) 2018/1969
of 12 December 2018

operating deductions from fishing quotas available for certain
stocks in 2018 on account of overfishing in the previous years

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Council Regulation (EC) No 1224/2009 of 20 November 2009 establishing a Union control system for ensuring compliance with the rules of the common fisheries policy, amending Regulations (EC) No 847/96, (EC) No 2371/2002, (EC) No 811/2004, (EC) No 768/2005, (EC) No 2115/2005, (EC) No 2166/2005, (EC) No 388/2006, (EC) No 509/2007, (EC) No 676/2007, (EC) No 1098/2007, (EC) No 1300/2008, (EC) No 1342/2008 and repealing Regulations (EEC) No 2847/93, (EC) No 1627/94 and (EC) No 1966/2006⁽¹⁾, and in particular Article 105(1), (2) and (3) thereof,

Whereas:

- (1) Fishing quotas for the year 2017 have been established by:
 - Council Regulation (EU) 2016/1903⁽²⁾,
 - Council Regulation (EU) 2016/2285⁽³⁾,
 - Council Regulation (EU) 2016/2372⁽⁴⁾, and
 - Council Regulation (EU) 2017/127⁽⁵⁾.
- (2) Fishing quotas for the year 2018 have been established by:
 - Council Regulation (EU) 2016/2285,
 - Council Regulation (EU) 2017/1970⁽⁶⁾,
 - Council Regulation (EU) 2017/2360⁽⁷⁾, and
 - Council Regulation (EU) 2018/120⁽⁸⁾.
- (3) Pursuant to Article 105(1) of Regulation (EC) No 1224/2009, when the Commission has established that a Member State has exceeded the fishing quotas which have been allocated to it, the Commission is to operate deductions from future fishing quotas of that Member State.
- (4) Article 105(2) and (3) of Regulation (EC) No 1224/2009 provides that such deductions have to be operated in the following year or years by applying the respective multiplying factors as set out therein.

Status: Point in time view as at 20/12/2018.

*Changes to legislation: There are currently no known outstanding effects for the
Commission Implementing Regulation (EU) 2018/1969. (See end of Document for details)*

- (5) Certain Member States have exceeded their fishing quotas for the year 2017. It is therefore appropriate to operate deductions on the fishing quotas allocated to them in 2018 and, where relevant, in subsequent years, for the overfished stocks.
- (6) In 2016, Spain overfished its quota for albacore in the Atlantic Ocean, North of 5° N (ALB/AN05N). At the request of Spain, the corresponding deduction was equally spread over two years (2017 and 2018). By Commission Implementing Regulation (EU) 2017/2309⁽⁹⁾, the first half of the deduction, namely 1 134,677 tonnes, was operated on the 2017 Spanish quota. For 2018, the Spanish initial quota for northern albacore in the Atlantic Ocean, North of 5° N (ALB/AN05N), as fixed by Regulation (EU) 2018/120, already reflected a deduction of 945,560 tonnes. Therefore, a remaining quantity of 189,117 tonnes should be deducted from the Spanish 2018 quota.
- (7) Deductions from fishing quotas, as provided for by this Regulation, should apply without prejudice to deductions applicable to 2018 quotas pursuant to Commission Implementing Regulation (EU) No 185/2013⁽¹⁰⁾.
- (8) Since quotas are expressed in tonnes, overfishing involving quantities of less than 1 tonne should not be considered,

HAS ADOPTED THIS REGULATION:

Article 1

1 The fishing quotas fixed in Regulations (EU) 2016/2285, (EU) No 2017/1970, (EU) 2017/2360 and (EU) 2018/120 for the year 2018 shall be reduced as set out in the Annex to this Regulation.

2 Paragraph 1 shall apply without prejudice to deductions provided for in Implementing Regulation (EU) No 185/2013.

Article 2

This Regulation shall enter into force on the seventh day following that of its publication in the *Official Journal of the European Union*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Changes to legislation: There are currently no known outstanding effects for the Commission Implementing Regulation (EU) 2018/1969. (See end of Document for details)

DEDUCTIONS FROM 2018 FISHING QUOTAS

F1 Substituted by Commission Implementing Regulation (EU) 2019/479 of 22 March 2019 operating deductions from fishing quotas available for certain stocks in 2018 on account of overfishing of other stocks in the previous years and amending Implementing Regulation (EU) 2018/1969.

a Quotas available to a Member State pursuant to the relevant fishing opportunities Regulations after taking into account exchanges of fishing opportunities in accordance with Article 16(8) of Regulation (EU) No 1380/2013 of the European Parliament and of the Council (OJ L 354, 28.12.2013, p. 22), quota transfers from 2016 to 2017 in accordance with Article 4(2) of Council Regulation (EC) No 847/96 (OJ L 115, 9.5.1996, p. 3) and with Article 15(9) of Regulation

Status: Point in time view as at 20/12/2018.

Changes to legislation: There are currently no known outstanding effects for the Commission Implementing Regulation (EU) 2018/1969. (See end of Document for details)

(EU) No 1380/2013 or reallocation and deduction of fishing opportunities in accordance with Articles 37 and 105 of Regulation (EC) No 1224/2009.

-
- b** As set out in Article 105(2) of Regulation (EC) No 1224/2009. Deduction equal to the overfishing * 1,00 shall apply in all cases of overfishing equal to, or less than, 100 tonnes.
-
- c** As set out in Article 105(3) of Regulation (EC) No 1224/2009 and provided that the extent of overfishing exceeds 10 %.
-
- d** Letter 'A' indicates that an additional multiplying factor of 1,5 has been applied due to consecutive overfishing in the years 2015, 2016 and 2017. Letter 'C' indicates that an additional multiplying factor of 1,5 has been applied as the stock is subject to a multiannual plan.
-
- e** Remaining quantities from previous year(s).
-
- f** Deductions to operate in 2018.
-
- g** Deductions to operate in 2018 that could be actually applied considering the available quota on 20 December 2018.
-
- h** Commission Implementing Regulation (EU) 2019/479 of 22 March 2019 operating deductions from fishing quotas available for certain stocks in 2018 on account of overfishing of other stocks in the previous years and amending Implementing Regulation (EU) 2018/1969 ([OJ L 82, 25.3.2019, p. 6](#)).
-
- i** Additional multiplying factor not applicable because the overfishing does not exceed 10 % of the permitted landings.
-
- j** The deduction cannot be reduced by this unused quantity as article 4 of Regulation (EC) No 847/96 is not applicable to the ALB/AN05N stock.
-
- k** At Spain's request, the deduction of 2 269 354 kilos due in 2017 was equally spread over two years (2017 and 2018) by Implementing Regulation (EU) 2017/2309. Since the 2018 initial quota for Spain as fixed by Regulation (EU) 2018/120 already reflects a deduction of 945 560 kilos, the remaining quantity to deduct amounts to 189 117 kilos.
-
- l** Despite not having initial quota for this overfished stock, Denmark concluded exchanges of fishing opportunities in accordance with Article 16(8) of Regulation (EU) No 1380/2013 enabling deductions from the same stock.]
-

Status: Point in time view as at 20/12/2018.
