COMMISSION IMPLEMENTING REGULATION (EU) 2020/1733  
of 19 November 2020

fixing the trigger volumes for the years 2021 and 2022 for the purposes of  
possible application of additional import duties on certain fruit and vegetables

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU) No 1308/2013 of the European Parliament and of the Council of 17 December 2013 establishing a common organisation of the markets in agricultural products and repealing Council Regulations (EEC) No 922/72, (EEC) No 234/79, (EC) No 1037/2001 and (EC) No 1234/2007<sup>(1)</sup>, and in particular point (b) of the first paragraph of Article 183 thereof,

Whereas:

- (1) Article 39 of Commission Implementing Regulation (EU) 2017/892<sup>(2)</sup> provides that an additional import duty as referred to in Article 182(1) of Regulation (EU) No 1308/2013 may be applied to the products and during the periods listed in Annex VII to that Implementing Regulation. That additional import duty has to apply if the quantity of any of the products put into free circulation for any of the periods of application set out in that Annex exceeds the trigger volume of imports in a year for that product. Additional import duties shall not be imposed where the imports are unlikely to disturb the Union market, or where the effects would be disproportionate to the intended objective.
- (2) In accordance with the second subparagraph of Article 182(1) of Regulation (EU) No 1308/2013 the trigger volumes of imports for the possible application of additional import duties on certain fruit and vegetables are based on import data and domestic consumption data for the previous three years. On the basis of the data notified by the Member States for the years 2017, 2018 and 2019, the trigger volumes for certain fruit and vegetables should be fixed for the years 2021 and 2022.
- (3) Taking into account that the period of application of possible additional import duties as set out in Annex VII to Implementing Regulation (EU) 2017/892 starts for a number of products on 1 January, this Regulation should apply from 1 January 2021,

HAS ADOPTED THIS REGULATION:
