Article 110

Decisions under this Agreement by the EFTA Surveillance Authority and the EC Commission which impose a pecuniary obligation on persons other than States, shall be enforceable. The same shall apply to such judgments under this Agreement by the Court of Justice of the European Communities, the Court of First Instance of the European Communities and the EFTA Court.

Enforcement shall be governed by the rules of civil procedure in force in the State in the territory of which it is carried out. The order for its enforcement shall be appended to the decision, without other formality than verification of the authenticity of the decision, by the authority which each Contracting Party shall designate for this purpose and shall make known to the other Contracting Parties, the EFTA Surveillance Authority, the EC Commission, the Court of Justice of the European Communities, the Court of First Instance of the European Communities and the EFTA Court.

When these formalities have been completed on application by the party concerned, the latter may proceed to enforcement, in accordance with the law of the State in the territory of which enforcement is to be carried out, by bringing the matter directly before the competent authority.

Enforcement may be suspended only by a decision of the Court of Justice of the European Communities, as far as decisions by the EC Commission, the Court of First Instance of the European Communities or the Court of Justice of the European Communities are concerned, or by a decision of the EFTA Court as far as decisions by the EFTA Surveillance Authority or the EFTA Court are concerned. However, the courts of the States concerned shall have jurisdiction over complaints that enforcement is being carried out in an irregular manner.
