European Atomic Energy Community 2016/C 203/01

TITLE II

**PROVISIONS FOR THE ENCOURAGEMENT OF  
PROGRESS IN THE FIELD OF NUCLEAR ENERGY**

*CHAPTER 10*

*External relations*

*Article 103*

Member States shall communicate to the Commission draft agreements or contracts with a third State, an international organisation or a national of a third State to the extent that such agreements or contracts concern matters within the purview of this Treaty.

If a draft agreement or contract contains clauses which impede the application of this Treaty, the Commission shall, within one month of receipt of such communication, make its comments known to the State concerned.

The State shall not conclude the proposed agreement or contract until it has satisfied the objections of the Commission or complied with a ruling by the Court of Justice of the European Union, adjudicating urgently upon an application from the State, on the compatibility of the proposed clauses with the provisions of this Treaty. An application may be made to the Court of Justice of the European Union at any time after the State has received the comments of the Commission.
