

Consolidated version of the Treaty on the Functioning of the European Union

PART SEVEN

GENERAL AND FINAL PROVISIONS

Article 349

(ex Article 299(2), second, third and fourth subparagraphs, TEC)

Taking account of the structural social and economic situation of Guadeloupe, French Guiana, Martinique, [^{F1}Mayotte,] Réunion, [^{F2}Saint-Barthélemy,] Saint-Martin, the Azores, Madeira and the Canary Islands, which is compounded by their remoteness, insularity, small size, difficult topography and climate, economic dependence on a few products, the permanence and combination of which severely restrain their development, the Council, on a proposal from the Commission and after consulting the European Parliament, shall adopt specific measures aimed, in particular, at laying down the conditions of application of the Treaties to those regions, including common policies. Where the specific measures in question are adopted by the Council in accordance with a special legislative procedure, it shall also act on a proposal from the Commission and after consulting the European Parliament.

The measures referred to in the first paragraph concern in particular areas such as customs and trade policies, fiscal policy, free zones, agriculture and fisheries policies, conditions for supply of raw materials and essential consumer goods, State aids and conditions of access to structural funds and to horizontal Union programmes.

The Council shall adopt the measures referred to in the first paragraph taking into account the special characteristics and constraints of the outermost regions without undermining the integrity and the coherence of the Union legal order, including the internal market and common policies.
