

Mental Health (Wales) Measure 2010

2010 nawm 7

PART 2

COORDINATION OF AND CARE PLANNING FOR SECONDARY MENTAL HEALTH SERVICE USERS

Definitions

12 Meaning of “relevant patient”

- (1) For the purposes of this Part, an individual is a relevant patient if a mental health service provider is responsible for providing a secondary mental health service for the individual.
- (2) An individual who does not fall within subsection (1) is also a relevant patient if—
 - (a) the individual is under the guardianship of a local authority in Wales; or
 - (b) a mental health service provider has decided that the individual would be provided with a secondary mental health service if the individual cooperated with its provision.

Status:

This version of this provision no longer has effect.

Changes to legislation:

There are currently no known outstanding effects for the Mental Health (Wales) Measure 2010, Section 12.
