Assessment process

28 Referrals relating to housing or well-being services

- (1) Unless subsection (2) applies, where a secondary mental health assessment has under section 25(c) identified a housing or well-being service which might help to improve, or prevent a deterioration in, an adult's mental health, the partner must ask the responsible service provider to consider whether to provide the service to the adult or, if that is not appropriate, whether to invite the adult to apply for the service.
- (2) Where the local authority mental health partner would be the responsible service provider in relation to such a housing or well-being service, the authority must decide whether the provision of the service is called for or, if that is not appropriate, whether to invite the adult to apply for the service.
