## **EXPLANATORY NOTES**

### **COMMENTARY ON SECTIONS**

#### ***Section 74 – Investigation reports***

131. An investigation report means a report on an investigation under section 71 which includes all of the following:
- the terms of reference of the investigation;
  - a summary of the evidence taken during the investigation;
  - the Commissioner’s findings on the investigation;
  - the Commissioner’s determination on whether or not D has complied with the relevant requirement;
  - a statement of whether the Commissioner is taking further action
  - if the Commissioner is taking further action, a statement of that action.
132. However the Commissioner may also include other matters in the report.
