### EXPLANATORY NOTES

#### MISCELLANEOUS AND SUPPLEMENTARY - SECTIONS 12 TO 16

##### *Section 13 - Effect of determinations in Convention countries, etc*

43. **Section 13** inserts an additional Article 58ZB into the 1987 Order. The new Article makes provision for determinations of an authority of a Convention country (other than the United Kingdom) to have effect in Northern Ireland, subject to specified conditions. The authorities referred to are those which have power to authorise or review a Convention adoption, or which have power to revoke or annul an adoption or Convention adoption (or which have power to review a decision to revoke or annul such an adoption). Similar provision is made as regards the Channel Islands and the Isle of Man.
