(4) Condition 3 is that the post-conversion benefits must not include money purchase benefits, apart from any money purchase benefits provided under the scheme immediately before the conversion date.

(5) Condition 4 is that the converted scheme provides survivors' benefits in accordance with section 20D in such circumstances, and during such periods, as are prescribed by regulations.

(6) Condition 5 is that the procedural requirements of section 20E have been complied with.

(7) In applying these conditions to a scheme in respect of an earner—

20D Survivors' benefits

(1) This section specifies the benefits mentioned in Condition 4 of section 20B.

(2) The first benefit is that if the earner dies (whether before or after attaining normal pension age) leaving a widow, she is entitled to a pension of at least half the value of the pension to which the earner would have been entitled by reference to employment during the period—

- (b) ending with 5th April 1997.

(3) The second benefit is that if the earner dies (whether before or after attaining normal pension age) leaving a widower or surviving civil partner, he or she is entitled to a pension of at least half the value of the pension to which the earner would have been entitled by reference to employment during the period—

- (a) beginning with 6th April 1988, and
- (b) ending with 5th April 1997.

20E Procedural requirements

(1) This section specifies the procedural requirements that must be complied with in order to satisfy Condition 5 of section 20B.

(4) The Commissioners for Her Majesty's Revenue and Customs must be notified on or before the conversion date—

(3) Where a member of a non-GMP-converted scheme makes an application under section 91(1), the trustees may with his consent adjust any guaranteed cash equivalent so as to reflect rights that would have accrued if the scheme had been subject to GMP conversion in accordance with Conditions 1 to 4 of section 20B.

20G Powers to amend schemes

(1) The trustees of an occupational pension scheme may by resolution modify it so as to effect GMP conversion (whether in relation to present earners, pensioners or survivors) in accordance with the conditions of section 20B.

(2) The subsisting rights provisions within the meaning of Article 67 of the Pensions (Northern Ireland) Order 1995 shall not apply to a power conferred by an occupational pension scheme to modify the scheme in so far as the power enables GMP conversion in accordance with the conditions of section 20B.

(3) Where a scheme is amended to effect GMP conversion the trustees may include other amendments which they think are necessary or desirable as a consequence of, or to facilitate, the GMP conversion.

(4) Where an occupational pension scheme is being wound up, the trustees may, before the winding up is completed, adjust rights under the scheme so as to reflect what would have happened if the scheme had been subject to GMP conversion in accordance with Conditions 1 to 4 of section 20B.

(5) In the application of section 20E by virtue of subsection (1) above, a reference to the earner includes a reference to a pensioner or survivor whose pension is subjected to GMP conversion.

20H Enforcement of GMP conversion conditions
