Schedule 1: Policing and Community Safety Partnerships

Paragraph 3: Political members

This paragraph details that the number of political members is determined by the council based on the number of members constituting the council. In appointing political members the council must ensure as far as possible that they reflect the balance of the parties prevailing among the members of the council immediately after the last local general election. This paragraph also details how long a political member can hold office, how they vacate office and when a casual vacancy can and cannot be filled.
