

## 2015 CHAPTER 8

### PART 5

#### DISPUTE REFERRAL

PROSPECTIVE

#### **Powers of referee: referral under section 62(1)**

**65.—**(1) This section applies where a referral is made under section 62(1).

(2) The referee may make such modifications (if any) as the referee considers appropriate to the matter referred.

(3) Where the referee makes any such modification, the referee must modify the certificate which contains the matter.

(4) The referee must take the steps mentioned in subsection (5) not later than 28 days after making a decision under subsection (2).

(5) The steps are—

- (a) to give the reservoir manager and the relevant engineer a certificate (a “referral certificate”) stating—
  - (i) whether the referee has modified the certificate,
  - (ii) any modification made,
- (b) where the referee has modified the certificate, to give the reservoir manager and the relevant engineer a copy of the modified certificate,
- (c) to give the Department a copy of the referral certificate and any modified preliminary certificate or final certificate.

---

**Status:** *This version of this provision is prospective.*

**Changes to legislation:** *There are currently no known outstanding effects for the Reservoirs Act (Northern Ireland) 2015, Section 65. (See end of Document for details)*

---

(6) A preliminary certificate or final certificate modified under this section has effect as so modified.

**Status:**

This version of this provision is prospective.

**Changes to legislation:**

There are currently no known outstanding effects for the Reservoirs Act (Northern Ireland) 2015, Section 65.
