*Paragraph 2: meaning of “relevant treatment”*

4. For the purposes of paragraph 2 treatment which is proposed to be provided to P is “relevant treatment” if—

  - (b) the applicant reasonably believes that P lacks capacity in relation to the treatment; and
  - (c) either of the following applies—
    - (i) P’s nominated person has reasonably objected to the proposal to provide the treatment and has not withdrawn that objection; or
    - (ii) the applicant reasonably believes that it is likely that the provision of the treatment would be such that authorisation is needed by reason of section 20 (resistance etc by P to provision of certain treatment).
