EXPLANATORY NOTES

BACKGROUND AND POLICY OBJECTIVES

Performers' lists

8. Linked to contractual legislation is the introduction of performers' lists which will place wider requirements on individual dentists. Dentists will have to provide detailed information and undertakings prior to listing and will be subject to certain HSCB powers of suspension as well as possible disqualification by a Tribunal. No dentist will be able to perform primary dental services unless their name is held on the professional list of performers maintained by the HSCB.
