

2016 CHAPTER 26

PART 4

Human Transplantation

Duty to promote transplantation

15.—(1) The Department must—

- (a) promote transplantation, and
- (b) provide information and increase awareness about transplantation and the donation for transplantation of parts of the human body.

(2) The duty under subsection (1) includes in particular a duty to promote a campaign informing the public at least once a year.

[^{F1}(3) The duty under subsection (2) must be discharged in such a way that the public are at least once a year given—

- (a) information about the effect of the legislation about deemed consent for transplantation of parts of a person's body after their death, and
- (b) information about how a person can during their lifetime—
 - (i) record their own decisions about transplantation after their death of parts of their body, or
 - (ii) appoint someone to make decisions after their death about transplantation of parts of their body.]
