1981 No. 158

Clean Air (Northern Ireland) Order 1981

Special cases

Railway engines

26.—(1) Article 3 shall apply in relation to railway locomotive engines as it applies in relation to buildings but as if for the references to the occupier of the building there were substituted references to the owner of the engine.

(2) The owner of any railway locomotive engine shall use any practicable means there may be for minimising the emission of smoke from the chimney on the engine and if he fails so to do, he shall, if smoke is emitted from the chimney, be guilty of an offence.

(3) Except as provided in this Article, nothing in this Order applies to smoke or grit and dust from any railway locomotive engine.

Changes to legislation:

There are currently no known outstanding effects for the Clean Air (Northern Ireland) Order 1981, Section 26.
