#### SAND AND OTHER BALLAST

#### PART II

#### CARRIAGE OF BALLAST BY ROAD

6. The provisions of this Part shall have effect with respect to the carriage of ballast by a road vehicle on a journey any part of which is along a highway.

7.—(1) If any of the ballast is being carried for delivery to a buyer in pursuance of, or of an agreement for, a sale thereof and paragraph 2 applies to the sale, the following provisions of this paragraph shall have effect with respect to that ballast.

(2) There shall, before the journey begins, be delivered to the person in charge of the vehicle a document signed by or on behalf of the seller stating—

- (a) the name and address of the seller;
- (b) the name of the buyer, and the address of the premises to which the ballast is being delivered;
- (c) the type of the ballast;
- (d) subject to sub-paragraph (4), the quantity of the ballast either by net weight or by volume;
- (e) sufficient particulars to identify the vehicle; and
- (f) the place, date and time of the loading of the ballast in the vehicle.

(3) Where the quantity of the ballast is stated in the document aforesaid by volume, the ballast shall be carried on the vehicle only in such a receptacle as is mentioned in paragraph 4.

(4) The statement referred to in sub-paragraph (2)(d) shall not be required at any time while the vehicle is travelling between the place where it was loaded and the nearest suitable and available weighing equipment if the whole of the vehicle's load is being delivered to the same person at the same premises and the document mentioned in sub-paragraph (2) states that the quantity of the ballast is to be expressed by net weight determined by means of that equipment and specifies the place at which the equipment is situated.

(5) In any case to which sub-paragraph (4) applies, the person in charge of the vehicle at the time when the net weight of the ballast is determined shall forthwith add to the document aforesaid a statement of that net weight, and if he fails so to do he shall be guilty of an offence.

(6) If any of the provisions of sub-paragraph (2) or (3) is contravened, the seller shall be guilty of an offence.

(7) If the vehicle is carrying ballast as mentioned in sub-paragraph (1) for delivery to each of two or more persons, sub-paragraphs (1) to (3) shall apply separately in relation to each of those persons, so however that this sub-paragraph shall not be construed as prohibiting the use of the same receptacle such as is mentioned in sub-paragraph (3) for the carriage of ballast for delivery to two or more different persons.

**Changes to legislation:** *There are currently no known outstanding effects for the Weights and Measures (Northern Ireland) Order 1981, PART II. (See end of Document for details)*

**8.** If all or any of the ballast on the vehicles is being carried in such circumstances that paragraph 7 does not apply thereto, there shall before the journey begins be delivered to the person in charge of the vehicle a document containing a statement to that effect signed by or on behalf of the person causing that ballast to be carried and giving the name and address of the last-mentioned person, and if this paragraph is contravened the last-mentioned person shall be guilty of an offence; but this paragraph shall not apply where all the ballast in the vehicle is being carried in such circumstances as aforesaid and is being so carried in a container which does not form part of the vehicle.

**9.** Any document required by paragraph 7 or 8 shall at all times during the journey be carried by the person for the time being in charge of the vehicle and shall be handed over by him to any other person to whom he hands over the charge of the vehicle in the course of the journey; and in the case of any document such as is mentioned in paragraph 7, on the unloading of the ballast to which the document relates at the premises to which that ballast is to be delivered—

- (a) before any of that ballast is so unloaded, the document shall be handed over to the buyer; or
- (b) if the document cannot be so handed over by reason of the absence of the buyer, it shall be left at some suitable place at those premises;

and if at any time any of the provisions of this paragraph is contravened without reasonable cause, the person in charge of the vehicle at that time shall be guilty of an offence.

**10.** In the case of any document such as is mentioned in paragraph 7, if at any time during the journey or on unloading at the place of delivery the quantity of the ballast to which the document relates is found to be less than that stated in the document, the statement shall nevertheless be deemed for the purposes of this Order to be correct if, but only if, it is proved that the deficiency is solely attributable to the draining away of normal moisture from, or the consolidation of, the ballast during the journey.
