42.—(1) Subject to any contrary indication, the rules of construction contained in this Article apply to any instrument, other than an existing instrument, so far as it contains a disposition of property.

(2) In applying Article 40(1) to a disposition which depends on the date of birth of a child or children of the adoptive parent or parents, the disposition shall be construed as if—

- (a) the adopted child had been born on the date of adoption,
- (b) two or more children adopted on the same date had been born on that date in the order of their actual births,
